RE CIRCULARIZATION OF WANTED FLYER 475A.

RE SAN FRANCISCO NITEL TO BUREAU OCTOBER 25, 1974, AND
OMAHA TELETYPE TO BUREAU OCTOBER 31, 1974.

FOR THE INFORMATION OF WFO, SAN FRANCISCO ADVISED IN
REFERENCED NITEL AS FOLLOWS:

IN VIEW OF THE FACT THAT THE HARRISES IN THE PAST, ALTHOUGH
EDUCATED, HAVE WORKED IN MENIAL JOBS AS DID OTHER MEMBERS OF THE
SLA, WE ARE CONSIDERING CIRCULARIZING NON-SKILLED LABOR UNIONS.
THIS WOULD HAVE TO BE DONE THROUGH THEIR NATIONAL HEADQUARTERS
AND FROM THE NATIONAL LABOR RELATIONS BOARD IN SAN FRANCISCO.
WE HAVE ACQUIRED A LIST OF UNIONS AND OUT OF THIS WE HAVE PICKED
APPROXIMATELY TEN UNIONS WHICH APPEAR TO LEND THEMSELVES TO THIS
CIRCULARIZATION.

OMAHA DIVISION IN REFERENCED NITEL ADVISED THAT TWO OF THESE TEN UNIONS RREPORTEDLY LOCATED IN DES MOINES, IOWA; INDUSTRIAL WORKERS UNION AND PACKING HOUSE AND DAIRY WORKERS NATIONAL BBROTHERHOOD WERE ONE AND THE SAME UNION WHOSE PRESIDENT, GEORGE BURTON, KANSAS CITY, MISSOURI, HAD MOVED THE OFFICES OF THESE UNIONS TO KANSAS CITY, MISSOURI.

GEORGE BURTON, PRESIDENT, NATIONAL BROTHERHOOD OF PACKING HOUSE AND INDUSTRIAL WORKERS, WHO OPERATES FROM LOCAL NO. 12, 500 ADAMS STREET, KANSAS CITY, KANSAS, ADVISED THAT THIS UNION WAS FORMERLY THE PACKING HOUSE UNION REFERRED TO ABOVE. THERE ARE ABOUT FOURTEEN LOCALS OF THIS UNION IN VARIOUS LOCATIONS THROUGHOUT THE UNITED STATES. HE ADVISED THAT THEY WERE NOT CONSOLIDATED WITH THE INDUSTRIAL WORKERS UNION WWHOSE PRESIDENT IS WALTER STEWART, WHO OPERATES OUT OF A FURNACE WORKERS UNION IN MARSHALLTOWN, IOWA.

BURTON ADVISED HE IS A FULL TIME EMPLOYEE OF THE SWIFT PACKING COMPANY, KANSAS CITY, KANSAS, HAS NO OFFICE OR STAFF, AS SUCH, AND THAT HE FEELS WALTER STEWART OPERATES HIS UNION FROM

THIS ORGANIZATION DOES HAVE AN OFFICE STAFF AND WOULD HAVE THE MAILING ADDRESS OF ALL OF HIS, BURTON'S, LOCAL UNIONS AS WELL AS ADDRESSES OF THE LOCAL UNIONS OF THE INDUSTRIAL WORKERS UNION AND OTHER SIMILAR INDEPENDENT UNIONS THROUGHOUT THE UNITED STATES. HE REQUESTED THAT THIS ORGANIZATION BE CONTACTED TO HANDLE APPROPRIATE CIRCULARIZATION OF HIS LOCAL UNIONS AND OTHER LOCAL UNIONS IF APPROPRIATE.

THE SAN FRANCISCO DIVISION REQUESTED TO BE ADVISED OF THERE IS ANY REASON KNOWN WHICH WOULD PRECLUDE CONTACTING THE ORIGINAL TEN UNIONS SELECTED. IF NONE EXIST, UACB, THEY SHOULD BE CONTACTED AND DETERMINE IF THEY WILL CIRCULARIZE THEIR WORKERS. IF THEY ARE AGREEABLE, IF THERE IS ANY CHARGE, THE NUMBER OF

HOWEVER, THE W/F, KNOWN AS "PATTY HEARST", WOULD ALWAYS WEAR A MEXICAN SOMBRERO MADE OF STRAW WHICH OBSTRUCTED [REDACTED] VIEW OF HER FACE. THEY WOULD PASS [REDACTED] HOUSE ENROUTE TO THE "POINT", A POPULAR BEACH IN UTILA, AND THE W/M ALWAYS CARRIED A SPEAR GUN.

[REDACTED] TALKED WITH [REDACTED]

[REDACTED] STATED "PATTY

**FBI REQUESTS DENTISTS' AID IN LOCATING
PATRICIA HEARST, AND WILLIAM AND EMILY HARRIS**

The Federal Bureau of Investigation is conducting an investigation to determine the whereabouts of Patricia C. Hearst, William T. Harris, and Emily M. Harris, whose photographs, dental information, radiographs, and one dental chart appear on these two pages.

A federal warrant charging robbery of a San Francisco bank on April 15, 1974, was issued at San Francisco for Miss Hearst, who was abducted from her Berkeley, Calif., residence on Feb 4, 1974, by a group that has identified itself as the

Symbionese Liberation Army (SLA). The participants in the bank robbery also claimed to be members of the SLA.

Federal warrants charging violations of the National Firearms Act were issued at Los Angeles on May 20 for all three. The trio, who may be traveling together, are known to be heavily armed and should be considered dangerous.

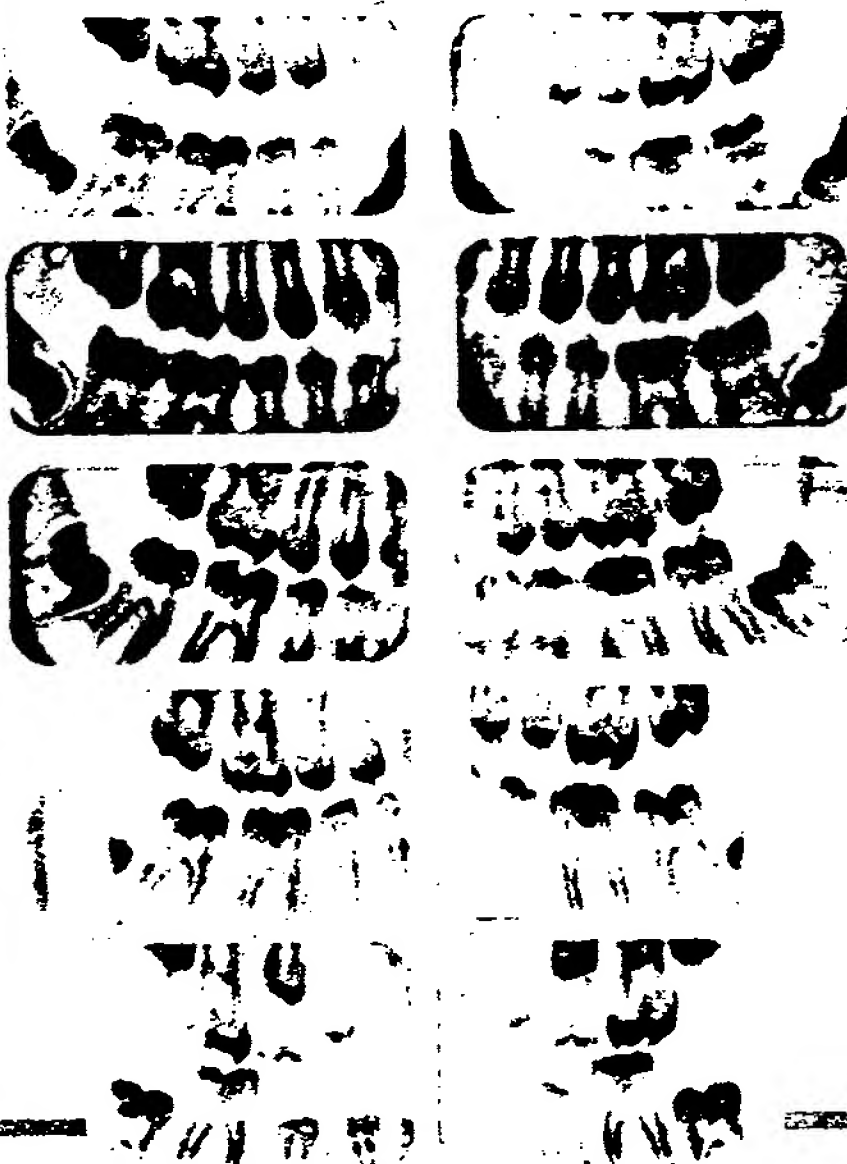

Dentists are requested to notify the nearest FBI office if they have any past or current information regarding these individuals.

PATRICIA C. HEARST

**PATRICIA HEARST HAS
28 VISIBLE TEETH**

A progressive series of right and left bitewings of Patricia Hearst's mouth is shown below. The bottom two radiographs are from 1965, and the others are from (bottom to top) 1967, 1968, 1970, and Jan 30, 1974. There appears to be possible caries in the mesial surface of the upper left first premolar.

According to the latest dental information available, Patricia Hearst has 28 visible teeth; her upper and lower third molars are present but have not erupted.

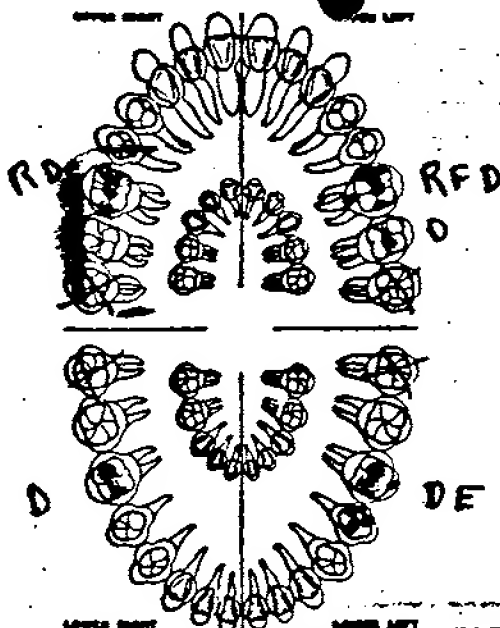

The arches are normal and occlusion is excellent. Orthodontic treatment was completed in 1967. All metal restorations have detailed carvings with very accurately finished margins and are highly polished.

Restorations are present in:

- upper right first molar: mesio-occlusal inlay stopping at the central pit;
- upper right second premolar: mesial pit amalgam;
- upper right first premolar: mesial pit amalgam;
- upper left first premolar: mesiolingual, Adaptic;
- upper left second premolar: mesiobuccal cusp pit, Adaptic;
- upper left first molar: mesioclusal gold inlay, stopping at the central pit;
- upper left first molar: distal pit and lingual groove inlay;
- lower left second molar: full occlusal gold inlay;
- lower left first molar: full occlusal gold inlay; and
- lower right second molar: full occlusal gold inlay.

Her next dental problem may be a difficult eruption of the lower right third molar or lower left third molar.

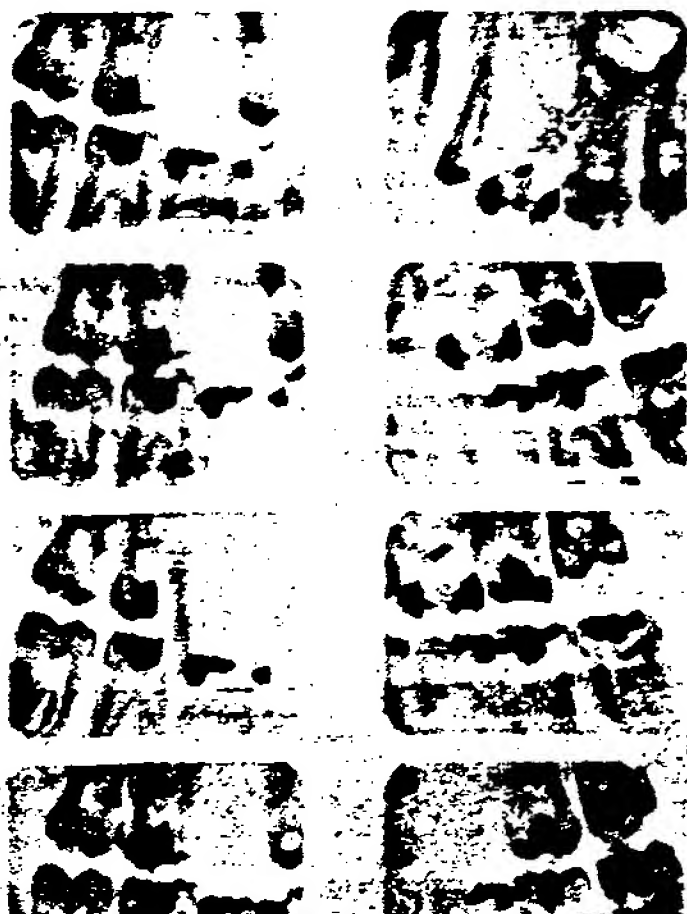

No recent dental chart for Miss Hearst was made available.

Latest dental chart for William Harris

EMILY M.
HARRIS

WILLIAM T.
HARRIS

WILLIAM HARRIS'S DENTAL CHART INTERPRETED

The following interpretation of the dental chart and radiographs of William Harris have been made by George A. Gwinn, a dentist from Noblesville, Ind.

The latest dental chart available was obtained in December 1968 and shows amalgam restorations in the mesioclusal (R) and occlusal (D) surfaces of the upper right first molar; three amalgam restorations in the R, D, and F (lingual) surfaces of the upper left first molar; an amalgam restoration in the D surface of the upper right second molar; two amalgam restorations in surfaces D and E (labial) of the lower left first molar; an amalgam restoration in the distoclusal (S) surface of the second lower left premolar; and an amalgam restoration in the D and I (mesial) surfaces of the lower right first molar.

In addition, Dr. Gwinn advised that at age 11, Harris had slight incisal fractures to the upper left and right central incisors. He noted that these fractures might not now be discernible.

Dr. Gwinn added that all other dental conditions could have changed during the past six years.

LIMITED INFORMATION ABOUT EMILY HARRIS

Other than the right and left bitewings shown on this page, there is no recent dental chart or dental information available about Emily Harris.

It is known that Mrs. Harris has an upper partial denture replacing the upper lateral incisors.

Right and left bitewings of Emily Harris's mouth. The periapical view indicates the congenital absence of the upper right second molar. The presence of a deciduous second molar in the bitewing indicates the normal

Some persons were noted as contributors to an underground newspaper known as "Common Sense" (CS) in which HARRIS may have participated.

Receiving offices should locate and interview these persons for any information concerning HARRIS, HARRIS' current or past associates and activities. Caution should be used not to divulge the Bureau's knowledge of their involvement in ADCC as most information obtained was through informants. "I was sent by my Red Chinese gung fu (karatē) dojo in Evanston to help rescue Tania. I found that she has betrayed our cause and must be surrendered. I learned this at the Peking Commune, Alameda County at address: 2615 E 27th St., Oakland, Cal. from one of our comrades who had cracked under the strain, Rick Schiff (code name: Alexis). He is crazy but his rumor, which I believe, is true -- Tania has escaped Washington and is headed for the flatbush section of Brooklyn near Brooklyn College to contact a known published radical Stalinist by the name of Jos. Clark.

"I know the drop, having slept with his daughter, Judy Clark wanted in the Underground as part of the Chicago Seven for seven years. Peking and 1520 Sherman Av., Evanston vouch for her veracity. THIS IS NOT RUMOR. She is sane and says this Red directive can be verified by The Reader's Digest article of Sept. '74 called 'The Rise and Death of the S.L.A.' Unfortunately my informant at the Peking Commune has lost his sanity and may soon be 'liquidated' with tranquilizers and/or a lobotomy (?)

"Judy's information is more reliable. She says Tania maintains mail contact openly through the pages of Ms. Magazine. Heather Robis Booth, also of the Chicago 7, freed erroneously by the court, is her contact. She contributes an article occasionally, with Tania's travel instructions coded variably on an anagram diagonal, cross-out basis. Ms. Booth can be picked up at Lincoln Park Presbyterian Church which she frequents or at 5553 S. Blackstone, Chicago 60637.

[REDACTED] is not considered a resister or draft evader and a letter is being directed to his mother stating same.

Re Bureau nitel to all SACs, 10/2/74.

Resume of Investigative Activities conducted by
Salt Lake City Division.

During the preceding month the Salt Lake City Division has been conducting investigation as set forth in Bureau airtel to Albany, 9/26/74, including contact with criminal and security informants, day labor, temporary employment services, auto rental agencies, and camping supply outlets where copies of wanted flyer 475A have been left. Inquiry at Utah Bureau of Motor Vehicles discloses that since May, 1974, the State of Utah has issued 59,752 driver's licenses, but records of these licenses are maintained on microfilm and an examination of the photographs of persons appearing on these licenses would require the development of 59,000 photographs thereby making such an examination not feasible.

As self-initiated investigation, Salt Lake City Division has been examining in detail the background of BARRON CHARLES BRODNAX, an associate of EMILY HARRIS.

BRODNAX was arrested, charged, and convicted, Salt Lake City, Utah, in April, 1967, following several strong arm robberies and an armed robbery committed at a local tavern. BRODNAX was sentenced to a term of imprisonment in the Utah State Penitentiary for a period of 5 years to life.

His prison file discloses a large number of offenses against custodial personnel and other inmates while he was at the Utah State Prison. He was later released to California authorities following his filing of an appeal for a speedy trial in connection with California charges and after his conviction in the State of California, the State of Utah allowed the Utah sentence to run concurrent with the California sentence. His parole date from the State of Utah, was 4/9/74, and Utah authorities have no current interest in BRODNAX.

b7c | During an examination of his prison file it was disclosed that under the name [REDACTED] BRODNAX furnished identities of his relatives including one [REDACTED] residing in Salt Lake City, Utah. There was no indication otherwise of [REDACTED] identity, but because of BRODNAX [REDACTED] association with EMILY HARRIS, Salt Lake City Division believes that it is of interest to identify [REDACTED] and determine, if possible, whether he has had any contact with his brothers associates from the State of California. Inquiry to date has not identified this individual.

Concerning publicity through radio, T.V., and newspapers, national releases have been prominently publicized in the Salt Lake City Tribune, The Deseret News, and on local T.V. stations. To the knowledge of this Division there has been no additional pertinent information concerning the fugitives in this case which has not been promptly reported.

b7c | Salt Lake City Division will closely follow this case and insure that useful information regarding it is made promptly available in this area through news media. In the following month, the Salt Lake City Division will continue efforts to identify [REDACTED] and continue contacts with camping supply outlets and temporary employment offices and will insure coverage through wanted flyers of appropriate sources in this area.

RE SUMMARY OF INVESTIGATIVE EFFORTS TO LOCATE SUBJECTS IN KENTUCKY.

Re Bureau airtel of 9/26/74, Bureau nitel of 10/2/74 and Bureau nitel of 10/23/74.

There follows a summary of investigative efforts to locate subjects of this case in the State of Kentucky as directed in referenced communications.

By office memo of 10/3/74 all agents in this division were advised of Bureau instructions contained in the initial referenced communication, along with Bureau memo dated 9/23/74 prepared at FBI headquarters. Instructions were issued to contact all criminal (including all PCIs), extremist and security informants in the Louisville Division. Specific assignments were made to contact abortion and health clinics, auto rental agencies, day labor and temporary employment offices, camping supplies outlets and university personnel offices. All SRAs having daily news publications in their respective areas were requested to furnish appropriate information with wanted fliers for subjects to these sources. This office has previously furnished information to radio and T.V. stations throughout the State regarding the Hearnap case in connection with the top ten program. The SAC through continued contact with this type of media continues to furnish appropriate data along with wanted fliers in connection with this program.

By memo of 10/17/74 to all SRAs, ten separate toll roads with designated toll stations were identified as being in operation in Kentucky, along with toll bridges over the Ohio and Big Sandy Rivers located in the northern and eastern parts of the state.

Five separate information-rest type facilities located along interstates and parkways in the state where trained travel specialists are on duty during the peak travel hours were identified with instructions for agents assigned to these designated areas covering these facilities to furnish copies of the wanted fliers.

By memo of 10/30/74 all SRAs were instructed to contact social service type organizations in their respective territories. All such contacts were also accomplished at the Louisville headquarters.

All extremist and security informants, along with criminal informants and PCIs have been or are being contacted in connection with this program.

A record of the specific contacts made in each of the above designated categories is being maintained in the Louisville case file.

On 10/8 and 9/74 drivers license checks at the Division of Driver's Licensing, Frankfort, Kentucky, were negative against the names of all of these subjects and their known aliases. It will be noted that the State of Kentucky does not maintain an alphabetical registry of automobile owners. In order to check the State of Kentucky records of motor vehicle registrations, it is required that there be available a specific driver's license number or the VIN of a particular vehicle.

In addition, on 10/8/74, the records of the Identification Unit of the Bureau of State Police were found to be negative under the true names and known aliases of all these subjects. Stops are already maintained with this agency against the names of the subjects. Moreover, birth records at the Department of Health, Frankfort, Kentucky, do not indicate that any child was born to either female subject in this matter.

Appropriate sources at the Department of Economic Security, Frankfort, Kentucky, could locate no record of public assistance or record of earnings for any of the these subjects, under their known SSANs.

It was found on 10/10/74 at the Department for Human Resources, Frankfort, Kentucky, that the State of Kentucky, does not regulate or monitor any type of day labor employment offices. Also the state does not maintain a registry or list of such employers. A list was obtained of employment agencies within the State of Kentucky of full and part-time employment agencies. By circular letter of 10/21/74, all such employment agencies, as obtained at Frankfort, Kentucky, were furnished with copies of wanted flier 475A.

On 10/10/74, it was also found through the Department of Health, Frankfort, Kentucky, that the State of Kentucky does not maintain any abortion clinics per se, and the only medical institutions which conduct abortions are primarily hospitals throughout the state. It was also learned that any licensed physician in the state can perform an abortion in accordance with existing Kentucky statutes.

A list of licensed health facilities and hospitals was obtained and on 10/21/74 each one known to furnish medical treatment or offer emergency facility care, was circularized with a copy of the wanted flier.

During law enforcement conferences conducted throughout the state by this office from 10/8-17/74, dealing with hostage and kidnaping type offenses, the Hearnap case was discussed with those in attendance and fliers were made available to all of these law enforcement officers.

On 10/24/74 fliers were furnished to supervisory personnel in the Daniel Boone National Forest, with main offices in Winchester, Kentucky, for distribution to the logical personnel at the various camping facilities of the Daniel Boone National Forest.

During the coming months this office contemplates coverage of leads in the following categories in connection with this matter. Periodically, All Agent Memos have been drafted to advise Bureau Agents of recent developments of this case and also for Bureau Agents to canvass all informants, criminal, and security. Current information has also been provided to Intelligent Units and other personnel, law enforcement agencies for distribution to all of their personnel.

Contact has been made with news media for more coverage regarding the subjects. One local major TV station is considering running a "spot-commercial" type announcement regarding the FBI Top 10 Program, which will also include spot announcements regarding PATRICIA HEARST and the HARRIS'. It is also noted one of the major newspapers is carrying a week-long story concerning PATRICIA HEARST and the Symbionese Liberation Army, (SLA).

During the coming month, contact will be maintained with already established individuals previously contacted and investigation expanded to make further contacts with other agencies that would possibly have some association with the subjects. This would include trailer camps, camp sights at state parks, also with city halls, which would include Bureau of Records for birth records, etc. Also, contacts with news media will be expanded to see if other stations or newspapers could give more coverage. However, it may be noted the news media family checks more information than some of the Field Divisions have available or are able to provide.

Since 10/2/74, Denver Division has eliminated a number of persons who have obtained passports subsequent to the shootout in Los Angeles as being identical with PATRICIA HEARST or the HARRISEs. A number of former students at Indiana University who attended at the same time as the HARRISEs have been contacted and cooperation promised by each. Additionally, 48 informants in the Denver Division have been contacted and shown the photographs appearing on Wanted Flyer 475A with directions that these persons remain on the alert for appearance of subject this division.

b7c On 10/31/74, this office received a copy of a communication from two Denver Patrolmen to the Intelligence Bureau, Denver, Colorado, Police Department. These Patrolmen reported having answered a stolen automobile report on 10/25/74. They met a party at Regis College by the name of [REDACTED] a resident at this college. He advised that the car he was reporting stolen belonged to ANN RANDOLPH HEARST, who is attending Regis College under the name ANN RANDOLPH. UNKNOWN SUBJECT;
COMMERCIAL AND SAVINGS BANK
PORT HURON, MICHIGAN
OCTOBER 18, 1974
BANK ROBBERY

SAC Welch telephonically advised this afternoon that on October 18, 1974, a white male described as between 20 and 25 years of age, 5'10" to 5'11", 180 pounds, dark brown wavy hair, with a medium to bushy mustache, robbed captioned bank at gunpoint. He tied a female teller with clothesline or window sash cord and placed one teller in the ladies room and one in the lounge in the basement of the bank. Thereafter he forced the manager to open the vault and secured \$72,000. No bait money was obtained. He took the manager's automobile for his escape, which car was recovered fifteen minutes later about one block from the bank.

SAC Welch stated that the State Police prepared an artist conception and Agents felt that it resembled William Taylor Harris. The wanted flyer was shown to the manager and the two female tellers. The manager thought one photograph of Harris looked like the bank robber. The two women tellers thought the other photograph looked like the bank robber.

SAC Welch stated that inasmuch as Emily Harris was known to prefer natural foods, Agents checked the only natural food store in the entire area and the manager of the store, after viewing the wanted flyers, felt that it was possible that Emily Harris and Patty Hearst were in the health food store about three weeks ago.

SAC Welch pointed out that Port Huron is just across the border from Canada and within minutes after the bank robbery the subject could have been in Canada. He also stated that the Detroit Agents have secured several latent fingerprints from the bank robbery.

Memorandum to Mr. Gebhardt
Re: HEARNAP

In view of the importance of this matter, SAC Welch is having the latents recovered at the bank brought to Detroit tonight and an Agent will fly them on the first available plane tomorrow out of Detroit in order that they may be compared with latent prints in the Hearst case. The Identification Division has been alerted.

SAC Welch stated that in view of this he plans to go to Port Huron and Detroit has instituted an all-out investigation of the area.

Aug. 25, 1974

Hey Man, I'm on a Greyhound
rolling toward the big city, New-
York. You're not gonna believe
what I've been up to for the
past few months when I tell you
but then on the other hand you
might believe it since you know
all the wild things I get into.

Would you believe that your old
pal was in the S.L.A.? Right!
the same S.L.A. that all the pigs
are looking all over the world
for. I'm the last one and I've got
all the loot or what is left of it
and I've got the name of a dude
in the city who has a coke
connection with some Cubans.
I think he sold Cubans some
opics anyway.

Let me give you the story.
I was coming down the
strip in my old VW microl
when I see this dude hitching
so I pull over to give him
a lift and all of a sudden
there are 2 chicks with him
and he says something like
we are the S.I.A. and he
throws down on me with a
38. I just about shit but I
drive off on down the road
and they tell me they aren't
gonna blast me if I'm cool
so I tell them I'm cool and
he puts the gun in his belt
which showed how dumb he
was because I could have
jumped out or grabbed for it or
anything. We rapped awhile
and I can see the guy is
nervous as hell and I begin

3
to think maybe these dudes
are the S.L.A. so I've been
hearing a lot of shit on the
radio about it so I ask them
if they are interested in getting
hid because I agreed with the
S.L.A. and would help them out if
they really are who they say and
not some weirdos. I guess they
were real desperate because it
only took them a couple of minutes
to agree after I told them about
an old miner shack I'd found
up in the hills and had fixed up
for hunting and ducking out. Did
you ever go up there with me to
that little place in the Klamath
Mountains? I guess Ridding is about
the biggest place around up there
and there are a lot of little towns
but who'd look up in those hills
for the S.L.A.? Nobody did!

1
4
Well there on the way they
start introducing themselves
and being real friendly and
I met Patty (TANIA) Harris and
Bill and Emily Harris and they
were telling me about all the
shit they had pulled off but
now things were getting hot
so they had to split. They were
pretty nice but real uptight so
I passed around a few joints
and in a little while life was
a groove again.

They had all kinds of fuckin'
monks! I hauled ass (55 mph)
up the interstate and never got
checked by the pig. We brought
about a ton of food, clothes,
blankets, ammo and some guns
for hunting and rolled on up
into the mountains the next
day and that is where I

5

I've been for the last few months. Me and Bill would go down to Redding for supplies occasionally and one time we got some dynamite grass too. The shack was just one room so we were all kinda on close quarters there and I got real friendly with Tania and one thing led to another and pretty soon we was fucking almost everyday. Hey! She was a good piece of ass and we hit it off good but she was moody too and like independent and that pissed me off because we was like living so close and all like too many rats in a box and we were all getting edgy and one day I asked Harris if he was gonna burn some pig ass for what they did to the other SLA people and Patty's lover Willie. She'd

6

get depressed about that clown
and that bothered me, after
all he was blown away and
she was fucking me now not
him. Anyway, Harris said
they were all washed up and
it would be suicidal to try to
pull something now. I told him
he was a chickenshit because
they had said they'd kill five
Rigs in reprisal for each SLA who
was killed. I wanted to get some
action! They were all so damn
depleted and it was getting
worse all the time. So about a
week ago I said, fuck I'm
tired of sitting around doing
nothing and I guess I'll split
pretty soon. You can imagine
that the dude got paranoid as
hell and said I couldn't leave
and I said that I wasn't gonna

spend winter freezing my ass
off given if Hearst were to fuck me
to death! So later that night
Harris and his old lady are outside
while me and Hearst are getting it on
and the night is real quiet and I hear
Harris say, we might have to get rid
of [REDACTED], and then I get paranoid.
I feel like a trapped animal all of a
sudden. You know. So later, when
me and Hearst get done Harris
and his old lady come back in
and they want to fuck so me and
Hearst go outside for a while.

We sit out on the rocks and rap
and soon Hearst says she is
going to use the shit house and
I remember my shit in the
bus and I shoot up some
really hot crystal and I'm
speeding and I think about
what Harris said and I'm

8
getting super paranoid so I
jam one of the 38's under my
jacket and after maybe 10
minutes Tania comes back and I
ask her about her future plans
and she is as usual noncommittal
like she don't know or won't say if
she does know. Hell, am I the
pig? She won't tell me anything.
So I tell her that I think Harris is
gonna waste me and she says,
Nah he wouldn't do that unless
you crossed us or something.
Will I ask you [redacted], what's
a cross? Leaving when he
don't want me to - maybe. I start
freaking out in my head. After
some more time Emily comes out
and heads for the shithouse
and Tania goes inside - maybe
she's telling Harris what I said.
Then Emily comes back and

b7c

4
go in and I'm alone out there
with my mind racing telling
me I'm gonna get zapped any
minute so I get up and go in
and Harris is sitting on a box
loading his own .38. We had
these nice Colman lanterns and
the whole inside was lit up.
I say, Jesus! and I pull out
my .45 and blast him off
the stool. Then I sort of went
nuts and I shot everyone until
I ran out of bullets. I took up
Harris' gun and looked around to
see if anyone was gonna get me
and Heccist was moaning and
trying to get up and get to me so
I blasted her about 3 shells in
the chest and just finished her.
The other two was dead already.
What could I do? Did I have any
choice really? No, not really.

10
I was really loading and I put
very close sleep now so I started
packing the bus and getting ready
to move out. By morning I had
all the shit packed and I put
the tone of them in the bus and
shit they were stiff as fuckin
boards by morning and I had to
drive about an hour to this old
mine I know about which goes
practically straight down about a
mile it seems where I could
dump them. Then I had to haul
them about a quarter of a mile
from the dirt road I was on to
get them there and that was a
hell of a job in itself. Shit
seem to weigh a ton and they are
ridiculous to have to carry. I spent
all day dragging them up to the
mine and I dumped them in
and I heard them splash at the

bottom which was a long way
down. I went back to L.A.
and sold the bus and all the
shit we had left and when I
went through Emilio's yard I
found a man near 7000 in cash
where she copied it. I don't
know. I never know she had it.
It was a lucky find. After I sold
the rifle, gun and bus I had
almost 10 grand. I figured I'd better
get rid of everything!

Then I met a dude I had seen
in school with and he gave me on
a coke deal when I told him I
have some money to invest. I
can get a bag in Mexico for about
2-3 thousand bucks. This is pure
high grade coke! I know I can
dump it around town for about
2400 a bag. Can you do this -
I get 3-bags for 2 grand each

12

in total of 6 grand. I get at
home OK. I had each day 3
times so I have 4 bags of stuff
of the good stuff which I sell for
a net sale of 15 grand and
that gives me a 135,000 return
on my original six or so and I
return compliments of the SLA.
I am not quoted - well - that's
all but it's worth the risk
and I'll have almost \$4000 for
cash money, payoffs and
expenses. I think they have a
couple of custom people in
their pocket and maybe Dean
and out into a summary. I
can rent a plane and do the
that out as I have to. I still
have my license.

Question [redacted], when you
get out as it goes on - look me
up tomorrow and if I'm back

b7C

(13)

to help you out. But you think
it for me if she doesn't like
me. So things go right I may
be one of those who sailboats
are talked about and just cruise
around and fuck ourselves to
death. We could sail around the
world and get an all girl crew.

Well I hope you get out soon.
I saw [redacted] and she had your
address. You move around so much
I hope this finds you. Ain't no
place you can write me for now,
Gotta have to catch a guy.

Now show this letter around. I just
know now we're crazy like me and want
enjoy hearing the story. You know me
good enough to know I don't bullshit about
things like this right?

We're riding down the eastern
slope now heading into Denver.
Goodbye to the Rockies, hello

[REDACTED] advised she is the mother of [REDACTED]. She advised that her son is currently under psychiatric treatment and has been for the past six months. When questioned as to how his name and address could possibly be in the address book of JOSEPH MICHAEL REMIRO, she advised as follows:

Her son had been in the Airborne in Vietnam during 1963 - 1964, and had returned from Vietnam and been discharged and started to attend St. Percopius College, Lisle, Illinois. He attended for approximately a year and a half and then one of his advisers recommended that he transfer to Catholic University, Washington, D.C. She stated he went approximately one year to Washington University, did not take his final exams and "turned hippie". She stated he went to work on a tunnel in the Washington, D.C., vicinity where he was the only white, the rest being all Negro and lived in a "commune" somewhere in the Washington area. She stated that he stayed there approximately 18 months and the next she heard he had moved to the Lower East Side of New York City. She stated he stayed there approximately six months and approximately two years ago he returned home. She stated when he stepped out of the cab in front of their house, she did not recognize him as she thought it was a man in his late 50's or early 60's, stepping out of the car. She stated further that for the first eight months he lived at home after this, he refused to speak about any of his goings on or anything that had happened to him in

Washington, D.C., or New York City. She advised she and her husband, approximately six months ago, convinced him to start seeing a psychiatrist, which he has done but is still very withdrawn and refuses to speak to or see any strangers.

She advised that they had heard from him while he was in New York City he was severely beaten on several occasions, "mugged", and she believes this is what is affecting him mentally. She stated that prior to this time he was always free and outgoing and would give his name and address to anyone who asked for it and it was her belief he could have worked with RUBBINS in DC or been associated with someone who knew RUBBINS and who could have furnished RUBBINS his name and address. She stated that she has heard nothing from the HARRIS' or HEARST and should she receive any information she would immediately notify the FBI as she has three cousins, all brothers, who are or have been FBI Agents and she will do everything she could to cooperate with the FBI.

In the recent past, the Baltimore Division has conducted the following investigation in this matter:

Due to the fact that EMILY HARRIS, nee Schwartz, was born in Baltimore, investigation was conducted at the Bureau of Vital Statistics and stop was placed on any request for duplicate birth certificate. Also in the recent past, the Baltimore Division has conducted extensive investigation into four different cases involving look-alikes of PATRICIA HEARST and/or the HARRISES.

Baltimore has had considerable investigation concerning former associates of WILLIAM and EMILY HARRIS while at Indiana University. All these leads have been covered by the Baltimore Division with negative results. However, at this time there is one lead outstanding concerning a possible former associate of the HARRISES in connection with Indiana University.

MONTHLY SUMMARY AIRTEL

The following investigation has been conducted in the State of Arizona in an effort to locate captioned fugitives:

The basic facts of this matter including copies of wanted flier 475A were provided to the news media and articles concerning their background including photographs that were published in various papers throughout the State of Arizona during the month of October, 1974. In addition, copies of wanted flier 475A have been provided to numerous temporary employment agencies as well as blood donor banks and other similar type establishments. In addition, State Department of Parks representatives have been furnished with copies of wanted flier 475A and State Parks personnel have indicated that all park rangers will be advised of captioned fugitive status and in addition they will be provided with copies of wanted flier 475A.

In addition, the true names and known aliases of fugitives HEARST and both HARRIS' have been searched through the State Department of Motor Vehicles with negative results. issued since early May, 1974. The inquiries disclosed that approximately 250,000 Arizona driver's licenses have been issued since May, 1974 and the cost of printing a photograph for each would amount to approximately \$70,000. In view of the above, it does not appear feasible that the Phoenix Division can review photographs of persons issued driver's licenses since May, 1974. The State of Arizona does not maintain thumb prints on driver's licenses.

17C Information has been received of a possible sighting at [REDACTED] in Flagstaff, Arizona re PATTY HEARST. Investigation conducted at this location has developed information that there are numerous hippie-type people coming and going and that the residents have occupied that location since July, 1974. Investigation is being conducted at the present time in effort to determine if PATTY HEARST or any other Bureau fugitives may have passed through that location.

Liaison is being maintained with all law enforcement agencies in Phoenix area concerning this matter and wanted fliers, where appropriate, are being disseminated. In addition, contact is being maintained with the news media and where feasible articles are being published concerning these fugitives.

Phoenix anticipates maintaining regular contact with park personnel and camping outlets in the major metropolitan areas in effort to determine if any purchases have been made by persons answering the description of captioned fugitives. Any positive information developed concerning this matter will be immediately brought to the attention of the Bureau and receiving offices.

Numerous reports from general public regarding possible sightings of HEARST and/or the HARRIS' have been investigated and systematically eliminated. Leads to interview known associates of WILLIAM HARRIS have been uncovered as received, but no positive information has developed.

All local law enforcement agencies and security guard companies are furnishing wanted flyers directly to their personnel.

Criminal, extremist and security informants have been canvassed and informed of cash payments on a COD basis. Local media continues to periodically furnish information to generate public interest.

Tampa will continue to review its supply of sources for those who might qualify for an assignment in this matter, and, along these lines, already has one source active.

The Charlotte Office in accordance with instructions obtained in Bureau teletype to All SACs, 10/2/74, and in Bureau airtel to SAC, Albany, 9/26/74, has initiated the following investigation:

An All Agents Memo setting forth the leads as suggested in Bureau airtel to Albany, 9/26/74, has been prepared. It should be noted that thumb print is not a requisite to obtain a North Carolina drivers license. The photograph which is made at the time the license is issued remains on the drivers license and no copy is retained.

This important investigation matter has been stressed at firearms training, police schools, as well as speeches made by the SAC, ASAC, and bank robbery coordinator. Additionally, all Salvation Army, Goodwill Industries, and Welfare Agencies in Charlotte headquarters have been furnished a copy of Wanted Flier 175. This matter continues to receive periodic publicity by the news media in the North Carolina area and the Charlotte Office continues to check out arrest findings of these individuals as they occur.

Charlotte is alerting all informants as to the C.O.D. basis for information concerning the location of these individuals and is checking out the true name and

for review the approximately 11,000 drivers license applications filed subsequent to 5/17/74. To date, a team of four agents working full time has reviewed approximately 7,000 of these applications. This review is continuing.

The U.S. Virgin Islands (USVI) Government also requires the submission of a photo when applying for a driver's license. Arrangements for a drivers license review in the Virgin Islands are currently being made.

Two column photographs of the subjects appeared on 10/9 and 10/3/74 respectively in "El Mundo" and "El Nuevo Dia", which are large circulation, Spanish language daily newspapers published in San Juan.

Copies of WF 475A have been distributed to the Commonwealth of Puerto Rico Excise Tax Offices located at the principal cargo entry points to Puerto Rico. All individuals shipping vehicles to Puerto Rico must pass through these offices.

During November, 1974, the San Juan Office plans to complete the drivers license reviews instituted in Puerto Rico and the USVI. Recontact has been made with the major T.V. and radio stations and they have attempted to afford the fugitives as much publicity as possible. Enclosed for Los Angeles are two copies each of photos of all five (with exception of [REDACTED] one photo of [REDACTED] and two copies of WFO-31 for all five "look-a-likes."

For information of Kansas City and Sacramento, WFO is reviewing all passport applications for 5/17/74 - 7/31/74, that were applied for through the San Francisco or Los Angeles office. This is being done since the HARRISEs and HEARST could conceivably have attempted to obtain false passports utilizing established illegal means; for example, using deceased infants' birth certificates.

DISCRETION IN CONDUCTING INVESTIGATION INVOLVING LEADS OBTAINED FROM UNITED STATES PASSPORT OFFICE IS MANDATORY.

EXTREME CARE MUST BE UTILIZED IN DISPLAYING PHOTOGRAPHS MADE FROM PASSPORT APPLICATIONS SO THAT INDIVIDUALS BEING SHOWN THE PHOTO CANNOT REALIZE THE SOURCE OF THE PHOTO. IT SHOULD NEVER BE DIVULGED THAT THE UNITED STATES PASSPORT OFFICE IS FURNISHING INFORMATION TO THE BUREAU, TO ANYONE OUTSIDE THE BUREAU. IF PASSPORT INFORMATION IS QUOTED IN A DISSEMINATED COMMUNICATION, THE SOURCE SHOULD BE SHOWN AS "UNITED STATES GOVERNMENT" RECORDS AND THE PASSPORT OFFICE BE IDENTIFIED AS THE SOURCE ONLY ON THE ADMINISTRATIVE PAGES.

FRONTED BY FBI AND LOS ANGELES POLICE DEPARTMENT AT 1466 EAST

833 WEST 84TH STREET, LOS ANGELES, WAS THE SUBJECT OF AN

INTENSIVE FBI CRIME SCENE SEARCH AT THAT TIME AND A LARGE

ON NOVEMBER 13, 1974, 833 WEST 84TH STREET WAS RE-EXAMINED BY BUREAU AGENTS, LOS ANGELES. IT IS NOTED THAT THE RESIDENCE HAS BEEN TOTALLY LOCKED AND BOARDED SINCE MAY 17, 1974, AND UPON ENTRY BY BUREAU AGENTS, IT WAS NOTED THAT A STRONG SMELL OF TEAR GAS STILL EXISTS AT THE RESIDENCE.

DURING THE RE-SEARCH OF THIS RESIDENCE, THE CARPETING IN THE LIVING ROOM AREA OF THE RESIDENCE WAS RIPPED UP FROM THE FLOOR AND AT THAT TIME THE FOLLOWING DOCUMENT WAS LOCATED:

RENT RECEIPT NUMBER 5626 DATED MAY 10, 1974, IN THE NAME OF SUSAN RIVERA FOR THE PERIOD MAY 10, 1974 THROUGH MAY 15, 1974, \$35 PAID. IT IS NOTED THAT SUSAN RIVERA IS THE ALIAS USED BY NANCY LING PERRY AT THE TIME SHE RENTED THE 833 WEST 84TH STREET RESIDENCE ON MAY 10, 1974.

ADDITIONALLY, IT WAS NOTED THAT IN A HANDWRITING DIFFERENT FROM THAT USED BY THE INDIVIDUAL FILLING OUT THE RENTAL AGREEMENT WAS THE FOLLOWING NOTATION ON THE TOP OF THE RENTAL AGREEMENT: "AFC, MANCHESTER AND HOOVER, MONEY ORDERS ONLY".

KYLE EDWARD JONES, INDIVIDUAL WHO RENTED RESIDENCE TO SLA SUBJECTS, OBSERVED QUESTIONED RENTAL RECEIPT AND ADVISED THIS HANDWRITING WAS NOT HIS. HE STATED FURTHER THAT SLA MEMBERS

PAGE THREE

LA 7-162

HAD MADE INQUIRY OF HIM IMMEDIATELY AFTER RENTING RESIDENCE AS TO WHERE A LARGE MARKET IN THE AREA WAS AND JONES TOLD THEM THAT THE LARGEST AND BEST MARKET IN THE AREA WAS THE ABC MARKET LOCATED AT MANCHESTER AND HOOVER, LOS ANGELES.

PREVIOUS INVESTIGATION CONDUCTED AT ABC MARKET, LOCATED AT MANCHESTER AND HOOVER, LOS ANGELES. APPROXIMATELY THREE BLOCKS FROM THE 833 WEST 84TH STREET ADDRESS, REVEALED SEVERAL TENTATIVE IDENTIFICATIONS OF PATRICIA HEARST AS BEING A PATRON OF THAT MARKET DURING PERTINENT PERIOD.

ON NOVEMBER 13, 1974, INQUIRY MADE AGAIN AT ABC MARKET, MANCHESTER AND HOOVER, AND IT WAS DETERMINED THAT THEY DO, IN FACT, SELL MONEY ORDERS AT THAT LOCATION.

MONEY ORDERS IN QUESTION ARE ISSUED BY THE UNIVERSAL MONEY ORDER COMPANY AND ABC MARKET IN QUESTION BEARS UNIVERSAL MONEY ORDER STORE NUMBERS 603 AND 604.

[REDACTED] b7C b7D
UNIVERSAL MONEY ORDER COMPANY, CULVER CITY, CALIFORNIA, CONTACTED REGARDING ABOVE AND THEREAFTER TELEPHONICALLY CONTACTED MAIN OFFICE OF UNIVERSAL MONEY ORDER COMPANY, AKA U.S. NAVIGATION COMPANY, NUMBER 20 BANK STREET, MILFORD, CONNECTICUT, TELEPHONE NUMBER (203) 355-0931.

[REDACTED] CONTACTED VINCENT D'ALGgio, VICE-PRESIDENT OF THIS

PAGE FOUR

COMPANY, REGARDING MAKING AVAILABLE ALL POSSIBLE MONEY ORDERS
ISSUED DURING PERTINENT PERIOD TO THE FBI. [REDACTED] ADVISED
VICE-PRESIDENT D'ALSSIO STATED HIS COMPANY WILL BE TOTALLY CO-
OPERATIVE WITH THE FBI AND ALL NECESSARY MONEY ORDERS IN QUESTION
WILL BE AVAILABLE IF BUREAU AGENTS FROM NEW HAVEN OFFICE PERSONALLY
APPEAR THERE. b7c b7D

[REDACTED] REVIEWED UNIVERSAL RECORDS AT LOS ANGELES AND ADVISED
THAT IF FBI

DESIRED TO REVIEW ALL MONEY ORDERS ISSUED DURING PERIOD MAY
18 TO 18, 1974, AT ABC MARKET, HOOVER AND MANCHESTER, BEARING
STORE NUMBERS 603 AND 604, THE FOLLOWING MONEY ORDERS WOULD
HAVE TO BE REVIEWED AS THEY FALL WITHIN THAT PERTINENT PERIOD:

STORE NUMBER 604, MONEY ORDER NUMBERS 20728698 THROUGH
20729230.

STORE NUMBER 603, MONEY ORDER NUMBERS 20750349 THROUGH
20750888.

IT IS NOTED THAT THIS WILL ENTAIL THE REVIEW OF APPROXI-
MATELY 1,000 MONEY ORDERS. FOR THE INFORMATION OF NEW HAVEN,
IT IS POINTED OUT THAT STORES 603 AND 604 ARE MERELY TWO DIFFERENT
DEPARTMENTS WHICH ISSUE MONEY ORDERS WITHIN THE SAME STORE.

PAGE FIVE

LA 7-162

b7c
b7d

[REDACTED] POINTED OUT THAT NO IDENTIFICATION IS NECESSARY TO PURCHASE MONEY ORDERS IN QUESTION HOWEVER WHEN MONEY ORDERS ARE EXECUTED BY PAYEE, POSITIVE IDENTIFICATION IS REQUIRED AS IF MONEY ORDER IS FRAUDULENT OR ALTERED, INDIVIDUAL TAKING MONEY ORDER IS RESPONSIBLE FOR LOSS.

FOR THE INFORMATION OF NEW HAVEN, IT IS POINTED OUT THAT LOS ANGELES AND SAN FRANCISCO OFFICES ARE ATTEMPTING TO ASCERTAIN NEW ALIASES USED BY REMAINING SLA MEMBERS. ALSO ATTEMPTS TO ASCERTAIN PURCHASE OF VEHICLES OR FRAUDULENT BIRTH CERTIFICATES OR OTHER RECORDS THROUGH THE USE OF THE ABOVE MENTIONED MONEY ORDERS IS CONSIDERED VERY LIKELY.

NEW HAVEN AT MILFORD, CONNECTICUT: WILL EXPEDITIOUSLY CONTACT VINCENT D'ALSSIO, VICE-PRESIDENT, UNIVERSAL MONEY ORDER COMPANY, FURNISH NECESSARY BUREAU MAN POWER AND OBTAIN ABOVE MENTIONED MONEY ORDERS INSURING THAT THESE MONEY ORDERS COVER THE PERIOD MAY 10 TO 18, 1974.

THESE MONEY ORDERS ARE TO BE PRESERVED AT NEW HAVEN FOR SUBSEQUENT TRANSMITTAL TO THE LATENT FINGERPRINT SECTION FOR EXAMINATION TO DETERMINE WHICH, IF ANY, WERE PURCHASED BY SLA MEMBERS IF

PAGE SIX

LA 7-1627

A REVIEW OF THESE MONEY ORDERS BY NAME DOES NOT DETERMINE WHICH ARE THE PERTINENT ONES.

NEW HAVEN IS ALSO REQUESTED TO PHOTOGRAPH OR XEROX BOTH SIDES OF MONEY ORDERS IN QUESTION AND EXPEDITIOUSLY TRANSMIT THESE TO THE LOS ANGELES OFFICE WHERE THEY WILL BE COMPARED AGAINST ALL KNOWN ALIASES, POSSIBLE ASSOCIATES OR LOCATIONS WHICH HAVE BEEN PERTINENT TO THIS INVESTIGATION IN THE PAST.

RE: [REDACTED]

[REDACTED] WE ARE CONTINUING BACKGROUND

INVESTIGATION REGARDING [REDACTED]

[REDACTED]

IN AN EFFORT TO IDENTIFY HER ASSOCIATES AND OTHER PERTINENT INFORMATION CONCERNING HER. WE HOPE TO INTERVIEW HER AT AN EARLY DATE IN THE EVENT OUR INVESTIGATION DETERMINES SHE IS IN NO WAY CONNECTED WITH CAPTIONED MATTER AND/OR THE SLA.

RE: REVIEW OF EVIDENCE.

WE ARE CONTINUING OUR RE-REVIEW OF EVIDENCE OBTAINED FROM 1560 SOUTHERLAND COURT, CONCORD, 5939 CHABOT ROAD, OAKLAND, 4616 BOND STREET, OAKLAND, 3856 WHITTLE, OAKLAND, 434 - 41ST STREET, OAKLAND, AND 627 - 15TH STREET, OAKLAND, ALL OF WHICH

PAGE THREE

SF 7-855

WERE KNOWN RESIDENCES OF SLA MEMBERS. TO DATE, IN THIS CONTINUING REVIEW, WE HAVE NOT LOCATED ANY ADDITIONAL FACTS OF AN EVIDENTIARY NATURE, HOWEVER, WE ARE CONTINUING PERUSING THIS EVIDENCE AND COORDINATING IT WITH THE FACTS KNOWN TO DATE REGARDING THE FUGITIVES IN AN EFFORT TO OBTAIN LEADS WHICH WOULD EFFECT THE LOCATION OF THE FUGITIVES.

RE: CIRCULARIZATION.

THE JACKSONVILLE OFFICE HAS ADVISED THAT THEY HAVE MADE ARRANGMENTS TO CIRCULARIZE ALL HOTELS AND MOTELS IN THE STATE OF FLORIDA WHICH WILL ENCOMPASS APPROXIMATELY 6,500 LOCATIONS.

WE CONTINUE EXPLORING THE POSSIBILITY OF CIRCULARIZING SELECTED UNIONS THROUGHOUT THE UNITED STATES.

THE SAN FRANCISCO OFFICE HAS COMPLETED THE CIRCULARIZATION OF ALL TYPES OF MAJOR WELFARE AGENCIES WITHIN THIS DIVISION.

RE: RUSSELL J. LITTLE AND JOSEPH REMIRO - PROSECUTIVE ACTION.

THE ALAMEDA COUNTY DISTRICT ATTORNEY'S OFFICE HAS ADVISED THAT THE PRESENT PROPOSED TRIAL SITE FOR THE TWO

PAGE FOUR

SF 7-955

CAPTIONED INDIVIDUALS, IS SACRAMENTO, CALIFORNIA, HOWEVER, THEY FEEL THAT THE DEFENSE WILL POSSIBLY OPPOSE THIS. ALTERNATE TRIAL SITES ARE SANTA CLARA, MONTERFY, AND LOS ANGELES, CALIFORNIA.

RE: ARMED ROBBERY OF SEIFERT FLORAL COMPANY, OAKLAND, CALIFORNIA.

ON SEPTEMBER 30, 1973, THE ABOVE CAPTIONED FLORAL SHOP WAS HELD UP BY TWO WHITE FEMALES WEARING GLOVES AND CARRYING REVOLVERS. THE ESCAPED IN A WHITE OVER BLUE VOLKSWAGEN BUS CALIFORNIA LICENSE 863 AND WHICH WAS LATER OBSERVED BEING ABANDONED BY TWO WHITE FEMALES WHO LOCKED THE DOOR WITH A KEY. THE FORMER OWNER OF THE VEHICLE [REDACTED] WHO PRESENTLY 67C RESIDES IN FALLS CHURCH, VIRGINIA, ADVISED SHE SOLD THIS VEHICLE TO A GIRL NAMED LOUISE FOR \$800 CASH AND ACCORDING TO THE ALAMEDA COUNTY DISTRICT ATTORNEY'S OFFICE, THIS GIRL WAS ACCOMPANIED BY A MAN WHO RESEMBLES THE DESCRIPTION OF RUSSELL J. LITTLE. WITNESSES WHO OBSERVED THE VEHICLE BEING ABANDONED OBSERVED A GROUP OF PHOTOGRAPHS AND FROM THIS GROUP PICKED THE PHOTOS OF NANCY LING PERRY AND ROBYN SUE STEINER AS RESEMBLING THE PERSONS ABANDONING THE VEHICLE. THE VEHICLE HAS SINCE BEEN TOWED AND SOLD FOR STORAGE CHARGES AS IT HAS

PAGE FIVE

SF 7-555

NOT BEEN RECLAIMED. THE ALAMEDA COUNTY DISTRICT ATTORNEY'S OFFICE FEELS THAT IF ROBYN SUE STEINER (WHO WAS LAST KNOWN TO BE RESIDING IN THE MIAMI AREA AND HAS REFUSED INTERVIEW) CAN BE IDENTIFIED WITH THIS HOLDUP, AN ARMED ROBBERY WARRANT CAN BE OBTAINED FOR HER AND SHE CAN BE RETURNED TO THE OAKLAND BAY AREA WHERE, IF SHE WOULD TESTIFY, SHE COULD HAVE INFORMATION OF GREAT VALUE IN THE KILLING OF MARCUS FOSTER THE OAKLAND SCHOOL SUPERINTENDENT. IT IS NOTED THAT REMIRO AND LITTLE, SUPRA, HAVE BEEN CHARGED WITH THIS MURDER. ADDITIONALLY, IN THE EVENT STEINER IS RESPONSIBLE FOR THIS ROBBERY AND IS RETURNED TO THE SAN FRANCISCO BAY AREA WHERE SHE WOULD BE AVAILABLE FOR INTERVIEW, SHE COULD CONCEIVABLY HAVE A GREAT DEAL OF BACKGROUND INFORMATION REGARDING THE HARRISES WHICH COULD POSSIBLY LEAD TO THEIR LOCATION. WE ARE FOLLOWING THIS MATTER CLOSELY AND WE ARE CONDUCTING INVESTIGATION IN MIAMI AND IN FALLS CHURCH, VIRGINIA.

RE: PUBLICITY.

NUMEROUS ARTICLES CONTINUE TO APPEAR IN THE LOCAL NEWS MEDIA CONCERNING OUR FUGITIVES AND WE HAVE, AS A RESULT, EXPERIENCED AN INCREASE IN THE NUMBER OF SIGHTINGS FROM THE GENERAL PUBLIC. WE HAVE RECEIVED A NUMBER OF TELEPHONE CALLS FROM INDIVIDUALS WHO HAVE OBSERVED OUR IO'S AND WANTED FLYERS AND HAVE REPORTED INFORMATION RELATIVE TO INDIVIDUALS RESEMBLING OUR FUGITIVES. ALL SUCH SIGHTINGS RECEIVE IMMEDIATE ATTENTION, HOWEVER, TO DATE NONE HAVE PROVEN PRODUCTIVE. RE: ARMED ROBBERY SEIFERTS FLORAL COMPANY.

THE ALAMEDA COUNTY DISTRICT ATTORNEY'S (DA) OFFICE WHO IS TRYING JOSEPH RENOIR AND RUSSELL LITTLE FOR THE MURDER OF OAKLAND SCHOOL SUPERINTENDENT, MARCUS FOSTER, ADVISED THAT THEY HAD RECEIVED CONFIDENTIAL INFORMATION THAT TWO ISLA MEMBERS WERE RESPONSIBLE FOR THE HOLDUP OF A FLORIST IN OAKLAND, CALIFORNIA, IN SEPTEMBER, 1973. IN CHECKING THE RECORDS OF ARMED ROBBERIES IN OAKLAND IN THE FALL OF 1973, IT WAS DETERMINED THAT CAPTIONED FLORIST WAS HELD UP ON SEPTEMBER 30, 1973, BY TWO ARMED FEMALES, BOTH OF WHICH WORE GLOVES AND UTILIZED REVOLVERS CARRIED IN THEIR PURSES. THEY ESCAPED IN A WHITE DEER BLUE VOLKSWAGEN BUS, CALIFORNIA LICENSE 863 ARD. TWO WITNESSES OBSERVED THIS VEHICLE BEING ABANDONED BY TWO WHITE FEMALES WHO WERE OBSERVED TO LOCK THE DOOR WITH A KEY. THE DA'S OFFICE EXHIBITED A SERIES OF PHOTOGRAPHS TO THESE WITNESSES AND THEY PICKED FROM THESE PHOTOS, PHOTOS OF NANCY LING PEPPY AND ROBYN

SUE STEINER AS MOST CLOSELY RESEMBLING THE TWO GIRLS ABANDONING THE BUS. THE VEHICLE WAS REGISTERED TO A [REDACTED] WHO HAD MOVED TO [REDACTED] FALLS CHURCH, VIRGINIA, TELEPHONE [REDACTED] WAS CONTACTED TELEPHONICALLY BY THE POLICE DEPARTMENT AND STATED SHE SOLD THE ABOVE VEHICLE ON SEPTEMBER 13, 1973, TO A GIRL SHE RECALLS ONLY AS LOUISE. SHE ADVISED THAT THE GIRL WAS ACCOMPANIED BY A WHITE MALE WHOSE DESCRIPTION, ACCORDING TO THE OAKLAND POLICE DEPARTMENT, APPROXIMATES THAT OF RUSSELL LITTLE. THE GIRL PAID \$800 CASH FOR THE VEHICLE AND [REDACTED] SIGNED THE REGISTRATION OVER. - THE VEHICLE HAS NOT BEEN RECLAIMED AND IS BEING SOLD FOR STORAGE.

FOR THE INFORMATION OF ALEXANDRIA, ROBYN SUE STEINER WAS A FORMER ASSOCIATE OF SLA MEMBERS IN THE OAKLAND BAY AREA AND IN APPROXIMATELY DECEMBER, 1973, SHE LEFT OAKLAND AND WENT TO HER PARENTS' HOME IN FLORIDA. SHE REFUSES TO BE INTERVIEWED BY THE FBI AND IT IS FELT THAT SHE MAY HAVE A GREAT DEAL OF BACKGROUND INFORMATION REGARDING THE HARRISES. THE DA'S OFFICE IN ALAMEDA COUNTY FEELS THAT IF SHE, INDEED, WAS RESPONSIBLE FOR THE HOLDUP OF THE ABOVE CAPTIONED FLORIST SHOP, THEY COULD

PAGE THREE

SF 7-855

OBTAIN A WARRANT FOR HER AND EXTRADITE HER TO SAN FRANCISCO WHERE SHE COULD CONCEAVABLY BE OF GREAT VALUE TO THE PROSECUTION.

MIAMI IS REQUESTED TO DETERMINE IF THEY CAN OBTAIN A BETTER PHOTO OF ROBYN SUE STEINER THAN HAS BEEN FURNISHED OFFICES IN THE PAST. IT IS SUGGESTED THAT IF FLORIDA HAS DRIVERS LICENSE PHOTO, THIS COULD BE A POSSIBLE SOURCE. IF THERE IS A BETTER PHOTO, IT SHOULD IMMEDIATELY BE FURNISHED TO ALEXANDRIA AND SAN FRANCISCO OR IF NONE AVAILABLE, ALEXANDRIA AND SAN FRANCISCO SHOULD BE SO ADVISED. THE ALAMEDA COUNTY DISTRICT ATTORNEY'S OFFICE WISHES TO SHOW THE BEST AVAILABLE PHOTO OF ROBYN SUE STEINER TO VICTIMS IN THE ARMED ROBBERY.

ALEXANDRIA IS REQUESTED TO EXHIBIT PHOTOS OF NANCY LING PERRY AND ROBYN SUE STEINER AND RUSSELL LITTLE TO [REDACTED] AT FALLS CHURCH, VIRGINIA, TO DETERMINE IF SHE CAN IDENTIFY THESE INDIVIDUALS. ALSO DETERMINE ALL DETAILS REGARDING THE SALE OF THE ABOVE MENTIONED VAN. IN THE EVENT ALEXANDRIA HAS NO PHOTO OF LITTLE, SAN FRANCISCO HAS FORWARDED ONE TO ALEXANDRIA AMSD BY ROUTING SLIP.

RE LOS ANGELES SUMMARY TEL NOVEMBER 8, 1974.

--ACTIVITIES AT 833 WEST 84TH STREET,

LOS ANGELES, CALIFORNIA--

ON NOVEMBER 13, 1974, THE RESIDENCE AT 833 WEST 84TH STREET, LOS ANGELES, CALIF., WHICH WAS OCCUPIED BY THE SLA FROM APPROX. MAY 10 UNTIL MAY 16, 1974, WAS RESEARCHED. THIS RESIDENCE HAS BEEN LOCKED AND BOARDED SINCE MAY 17, 1974. DURING THE RE-SEARCH OF THIS RESIDENCE, A RENT RECEIPT DATED MAY 10, 1974, IN THE NAME OF SUSAN RIVERA WAS LOCATED WHEN THE CARPETING IN THE LIVING ROOM WAS RIPPED UP. IT IS NOTED THAT THIS RECEIPT IS THE ORIGINAL RECEIPT GIVEN BY KYLE JONES TO THE INDIVIDUAL LATER IDENTIFIED AS NANCY LING PERRY WHEN SHE RENTED THIS RESIDENCE ON MAY 10, 1974.

AT THE TOP OF THE RECEIPT IS A HANDWRITTEN NOTATION, "ABC, MANCHESTER AND HOOVER, MONEY ORDERS ONLY". KYLE JONES, THE INDIVIDUAL WHO PREPARED THE RENTAL RECEIPT ADVISED THAT THIS NOTATION WAS NOT IN HIS HANDWRITING. HE RECALLED THAT SLA MEMBERS HAD MADE INQUIRY OF HIM IMMEDIATELY AFTER RENTING THE RESIDENCE RE THE LOCATION OF A LARGE MARKET IN THE AREA. JONES ANSWERED INDICATING THAT THE BEST MARKET IN THE VICINITY WAS THE ABC MARKET AT MANCHESTER AND HOOVER, LOS ANGELES. DURING PAST INVESTIGATION, SEVERAL TENTATIVE IDENTIFICATIONS OF PATRICIA HEARST AS A PATRON OF THAT MARKET WERE MADE DURING THE PERTINENT PERIOD.

INVESTIGATION AT THE ABC MARKET REVEALED THAT THIS MARKET SELLS UNIVERSAL MONEY ORDERS AND LEADS HAVE BEEN SET OUT BY SEPARATE COMMUNICATION FOR NEW HAVEN TO OBTAIN MONEY ORDERS AVAILABLE AT UNIVERSAL MONEY ORDER HEADQUARTERS, MILFORD, CONN. NEW HAVEN WILL MAKE COPIES OF THE MONEY ORDERS AND PROVIDE THEM TO THE LOS ANGELES DIVISION FOR INVESTIGATION. IT IS ESTIMATED THIS REVIEW WILL ENCOMPASS APPROX. 1,000 MONEY ORDERS.

ALSO LOCATED DURING THE RE-SEARCH OF THIS RESIDENCE WAS A SCRAP OF PAPER WITH THE TELEPHONE NUMBER 688-2850, ROOM NUMBER 7638, AND NOTATION "B-1".

PAGE THREE

LA 7-1627

INVESTIGATION HAS IDENTIFIED THAT TELEPHONE NUMBER 688-2850 IS LISTED TO THE U. S. GEOLOGICAL SURVEY IN ROOM 7638, 300 N. LOS ANGELES STREET, LOS ANGELES, CALIF. INVESTIGATION CURRENTLY BEING CONDUCTED AT U. S. GEOLOGICAL SURVEY TO DETERMINE IF THE FUGITIVES MADE INQUIRIES THERE.

HE SAID THAT IT WOULD BE POSSIBLE FOR TWO FBI EMPLOYEES TO COME TO HIS PLACE OF BUSINESS AT NEW MILFORD, AND THEY COULD UTILIZE HIS MICROFILM EQUIPMENT AT THE COST OF SIX CENTS A PRINT, SUCH AMOUNT TO BE REIMBURSED TO HIM BY THE FBI. COPIES CAN BE MADE ON UNIVERSAL MONEY ORDER EQUIPMENT. IF BOTH SIDES OF MONEY ORDER IS REPRODUCED, COST WOULD BE TWELVE CENTS, SIX CENTS A SIDE.

 ESTIMATED IT WOULD TAKE TWO MENTWO DAYS TO REPRODUCE THE DESIRED MATERIAL. NOTE: Our Los Angeles Office has determined that the fugitives may have purchased money orders issued by the ABC Market, Los Angeles, California. The money orders sold by ABC Market after cashing were sent to the above location in Connecticut. We anticipate that it will be necessary to reproduce approximately 1,000 money orders which would have been issued during the period May 12 through 18, 1974. It is felt that a review of these money orders may be of value in our efforts to locate the fugitives. The approximate cost as set out in referenced New Haven teletype, copy attached, would be approximately \$120.

Enclosed for the Bureau is a rent receipt, number 5606, dated 5/10/74, in the name of SUSAN RIVERA, located in residence at 833 West 84th Street, Los Angeles, California.

It should be noted that KYLE EDWARD JONES, 837-3/4 West 84th Street, who manages the property at 833 West 84th Street, has indicated he filled out the receipt on 5/10/74, and that the residence was rented by NANCY LING PERRY using the name SUSAN RIVERA and another unidentified female known only as "SUE". JONES has been unable to effect the identity of the second female from photographs of known SLA members and sympathizers.

At the top of the enclosed receipt are notations, "ABC Manchester and Hoover" and "Money Orders Only". JONES stated he does not know who placed those notations on the receipt.

The FBI Laboratory is requested to compare the notations at the top of the receipt with known handwriting samples of SLA members in an effort to determine the writer.

RE: CONTACT WITH FEDERAL AND STATE PRISONS.

IT IS NOTED THAT PRIOR TO THE KIDNAPING OF PATRICIA HEARST, WILLIAM AND EMILY HARRIS WERE DEEPLY INVOLVED IN THE PRISON REFORM PROGRAM IN THE SAN FRANCISCO BAY AREA AND UPON NUMEROUS OCCASIONS, VISITED PRISONERS IN CALIFORNIA PRISONS AND WERE MEMBERS OF THE BLACK CULTURAL ASSOCIATION, A PRISONER ORIENTED PROGRAM AT THE CALIFORNIA MEDICAL FACILITY AT VACAVILLE, CALIFORNIA. IN VIEW OF THIS, THE POSSIBILITY EXISTS THAT IN THEIR FUGITIVE STATUS, THEY COULD CONTINUE TO BE INVOLVED IN PRISON REFORM PROGRAMS AND TO VISIT INMATES OF PENAL INSTITUTIONS: THEREFORE, IT IS SUGGESTED THAT THE BUREAU DIRECT ALL OFFICES TO CONTACT BOTH STATE AND FEDERAL PRISONS IN ^{YOUR} THEIR TERRITORIES AND LEAVE COPIES OF WANTED FLYER 475A WITH CORRECTIONAL OFFICERS WHO COME IN CONTACT WITH VISITORS. ALSO, IF ~~THESE OFFICES HAVE ANY SOURCES~~ WITHIN VARIOUS PRISON REFORM PROGRAMS IN ^{YOUR} THEIR TERRITORIES, SOURCES SHOULD BE ALERTED TO THE POSSIBLE PRESENCE OF WILLIAM AND EMILY HARRIS AND PATRICIA HEARST.

Dear Mr. Miron:

Thank you for your letter and the enclosed material. I can see that you have given this matter a great deal of thought. We still have the subject under consideration, but frankly I do not know yet when a decision as to how best to proceed will be made. Unfortunately, budget problems must be taken into consideration.

I have put your expense receipts in the proper hands for processing.

Thank you again for your thoughts and I want you to know how stimulating I found our meeting. Should we go forward on this matter, I shall contact you.

Sincerely,

Re Circularization of Wanted Flyer No. 475A to
Unions headquartered in District of Columbia; WFO airtel to
Bureau, 11/7/74.

Enclosed is 11/9/74 issue of the National Rural
Letter Carrier Magazine.

On 11/13/74, LESTER F. MILLER, Vice President and
Editor, National Rural Letter Carriers Association (NRLCA),
Suite 1204, 1750 Pennsylvania Avenue, N.W., Washington, D.C.,
advised the matter with regard to publishing the wanted flyer
in the magazine entitled, "The National Rural Letter Carrier"
has been discussed in great detail within the union. NRLCA
would be agreeable, as a public service, to printing a full page
(8½" x 11") replica of the wanted flyer in their magazine for
the cost of \$350. The nominal charge in this instance would
discourage other agencies from printing similar wanted notices
and if questioned in the future with respect to this matter,
NRLCA could respond that the space in the magazine was offered
to the FBI as an advertisement.

REC-93 7-15200 143163 11/20/74

For additional information of Bureau, the National
Rural Letter Carrier is published weekly and has a circulation
of 48,000 copies. It would afford coverage to mail carriers who
service rural or remote areas of the United States.

NOTE: WFO, through contacts with the NRLCA, has determined that their weekly magazine with a 48,000 circulation would be willing to print our Wanted Flyer in their magazine. NRLCA stated they would have to charge the Bureau \$350 in order to discourage other agencies from requesting similar wanted notices to be published and this would allow them to respond in the future that the magazine space was offered to the FBI for a fee. This magazine is believed to be of particular significance inasmuch as it affords coverage to mail carriers who service rural or remote areas of the United States. A copy of the magazine referred to above is attached.

The Hearst case shows FBI's flaws

It was only a few days after I was signed to cover the kidnapping of Patty Hearst that I began hearing the question I was to meet hundreds of times during the next nine months: Why has the Federal Bureau of Investigation been unable to find the 20-year-old publishing heiress?

After all, the FBI has carefully nurtured the image thru the years that it always gets its man, and it very often does so. But the failings of the super law agency have been glaring in the Hearst case.

Basically, the FBI is out of date and lacking in team structure. For example, hundreds of agents were assigned to the hunt for Patty, yet only a few knew what the others were doing. It was simply a case of one hand not knowing what the other was doing.

The labored bureaucracy of the FBI also hindered the investigation. As new leads were developed early in the inquiry, they were being sent from San Francisco to Washington for study.

This caused unnecessary delays in disseminating the clues to agents and police on the west coast.

Probably the most significant problem is that the FBI is simply not geared to handle a political kidnapping. Keep in mind, the Hearst case was the first political kidnapping in this country. A team set in motion by a tiny band of radical-thinking revolutionaries.

The FBI didn't know how to react and still does not, as is evidenced by the fact that Patty and her two companions have eluded agents for months.

Sure, the FBI knows how to handle conventional kidnappings in which greed is the motive. And handling bank robberies? Easy, since bank robbers think like and the FBI files are filled with character portraits of those who made stupid mistakes and got caught.

But the agency wasn't dealing with greedy kidnapers or dumb bank robbers in the Hearst case. It was dealing with people who had studied urban guerrilla tactics thoroughly and had adopted to the letter the textbooks of Latin American terrorists.

As early as 1957, law enforcement officials who were keeping a watchful eye on the activities of the Latin American guerrillas became fearful that someone would apply these same tactics to political kidnapping in this country.

The warning signs were there. The Weather Underground had already taken a page from the Latin American terrorists. Since 1970, this group had successfully planted 19 bombs against "symbols of the establishment."

The FBI should have been preparing for a Patty Hearst type kidnapping ever since the Weather people disappeared into the radical underground (and were never found). It did not, and this lack of foresight was one reason the FBI was always three steps behind in the hunt for Patty.

In recent years, the federal government has poured millions of dollars in its fight against the Mafia, but no federal funds have been made available for countermeasures techniques to combat political terrorism.

Yet, when was the last time you ever heard of the Mafia kidnapping anyone to convert him to the life of a gangster? Or when has the Mafia ever sent out communiques saying that it wanted to destroy America?

Even FBI Director Clarence Kelley acknowledges that his agency was dealing with an entirely unfamiliar situation in the Hearst case. "These are people who do not make contact with friends, relatives, and associates," he said recently. "They go underground."

Unfortunately, the FBI doesn't have the faintest idea where "underground" is.

The prediction is that Patty and her two companions, Bill and Emily Harris, won't get caught thru any superinvestigative work by the FBI. Receiving a parking ticket or making some other stupid mistake will more likely lead to their capture.

The pattern has already been established.

Re R. F. Bates to Mr. Gebhardt memo dated 10/10/74.

This memorandum sets forth current status of recent investigation being coordinated by the Los Angeles Office (LAO) and San Francisco Office (SFO) in this case.

GRAND JURY MATTERS:

William Lewis, Manager of Radio Station KPFK, Los Angeles, California, was granted immunity on 10/18/74 by Judge Andrew A. Hauk in a Federal bombing case. However, as before Lewis refused to turn over a communication received by his station in response to a Federal Grand Jury subpoena. Lewis was cited by Judge Hauk for contempt of court and imprisoned. Once again, U. S. Supreme Court Associate Judge William O. Douglas granted an indefinite stay to allow Lewis to appeal the contempt citation.

FALSE IDENTITY SURVEY:

The survey designed to detect any individual who applied for a U. S. passport under false pretenses since the SLA shoot-out (5/17/74) in California continues. Washington Field Office (WFO) advised 11/11/74 it has received all U. S. passport applications from LAO and SFO. WFO estimates an additional 3-4 weeks to complete its review at the State Department. State has requested strict confidentiality in this matter.

VENCEREMOS ORGANIZATION/CHINO DEFENSE COMMITTEE (VO/CDC):

[REDACTED] b7D

The Intelligence Division has instituted a preliminary security-type investigation of [REDACTED]

[REDACTED] regarding his SLA involvement and [REDACTED] with the National Lawyers Guild. [REDACTED] b7C
[REDACTED], our early findings have not been relayed to the Department of Justice at this time. Dissemination is being held in abeyance until all ramifications re [REDACTED] suspected relationship with the remaining SLA fugitives are resolved.

DISSEMINATION OF REVISED WANTED FLYER (WF) #475 (A AND B)

We continue to circularize potential sources of funds for the remaining SLA fugitives which include menial

occupations and temporary health stations. Further, we are contacting health clubs, welfare-type agencies, turnpike and toll facilities, and police departments as well as using their official publications for maximum exposure of available FBI materials in this case.

Nationally, WFO has enlisted help of the National Rifle Association (NRA) and we are currently circularizing each of the Senior NRA Clubs and NRA hunting clubs throughout the U. S. which cover numerous firearms ranges and wilderness areas. The mailing service is being rendered free of charge to the Bureau by the NRA.

WFO has contacted four officials of four separate Labor Unions headquartered in Washington, D. C., which has resulted in their agreement to mail copies of cited WF to their respective locale at no expense to the Bureau. This avenue of dissemination totals 12,300 outlets.

CONTINUING SURVEYS:

Fraudulent Telephone Credit Cards which attempts to determine if known SLA sympathizer or individuals contacting them by telephone have used fraudulent credit cards. This is done by comparing the identifying telephone information available regarding SLA sympathizers with information recorded by Pacific Telephone and General Telephone, both of California, pertaining to illegal credit card calls.

FBI Identification Division Project which is searching known SLA fugitives latents with all unidentified latents received in unknown subject cases as well as screening all incoming fingerprint cards received by special desks in that Division.

NATIONAL NEWS COVERAGE:

Mickey Cohen:

Press interests have centered about the allegation that Mickey Cohen had definite information concerning the whereabouts of Patricia Hearst and Bill and Emily Harris.

Bates to Gebhard Memorandum
RE: HEARNAP

Reportedly his communications were made through black underground informants from Cleveland, Ohio.

LAO continues to monitor this aspect carefully and is attempting to determine Cohen's sources and ascertain if his information has any substance whatsoever. To date, the information related to us by Cohen has been nebulous and not of the kind which can be readily corroborated. b7C
b7D

On 10/25/74, Mr. and Mrs. Hearst advised SFO that at this time they have no inclination to meet with Cohen in the near future.

b7D [REDACTED]
[REDACTED] there is a trust fund set up for her but all funds have been frozen and money cannot be released without an approving vote from the members of the trust [REDACTED]
[REDACTED]

Special Agents in Charge throughout the United States continue to appear in broadcasts and newspaper media presentations concerning the remaining SLA fugitives. Thus far, all investigations stimulated through these efforts have met with negative results.

The Department is being advised of all significant developments in this case on a continuous basis.

The Hearst case shows FBI's flaws

It was only a few days after I was assigned to cover the kidnaping of Patty Hearst that I began hearing the one question I was to meet hundreds of times during the next nine months: Why has the Federal Bureau of Investigation been unable to find the 20-year-old publishing heiress?

After all, the FBI has carefully nurtured the image thru the years that it always gets its man, and it very often does so. But the failings of the super sleuth agency have been glaring in the Hearst case.

Basically, the FBI is out of date and lacking in team structure. For example, hundreds of agents were assigned to the hunt for Patty, yet only a few knew what the others were doing. It was simply a case of one hand not knowing what the other was doing.

The inbred bureaucracy of the FBI also hindered the investigation. As new leads were developed early in the inquiry, they were being sent from San Francisco to Washington for study.

This caused unnecessary delays in disseminating the clues to agents and police on the west coast.

Probably the most significant problem is that the FBI is simply not geared to handle a political kidnaping. Keep in mind, the Hearst case was the first political kidnaping in this country, a crime set in motion by a tiny band of radical-thinking revolutionaries.

The FBI didn't know how to react and still does not, as is evidenced by the fact that Patty and her two companions have eluded agents for months.

Sure, the FBI knows how to handle conventional kidnapings in which greed is the motive. And handling bank robberies? Easy, since bank robbers think alike and the FBI files are filled with character portraits of those who made stupid mistakes and got caught.

But the agency wasn't dealing with greedy kidnapers or dumb bank robbers in the Hearst case. It was dealing with people who had studied urban guerrilla tactics thoroly and had adopted to the letter the textbooks of Latin American terrorists.

As early as 1967, law enforcement officials who were keeping a watchful eye on the activities of the Latin American guerrillas became fearful that someone would apply these same tactics to a political kidnaping in this country.

The warning signs were there. The Weather Underground had already taken a page from the Latin American terrorists. Since 1970, this group had successfully planted 19 bombs against "symbols of the establishment."

The FBI should have been preparing for a Patty Hearst type kidnaping ever since the Weather people disappeared into the radical underground [and were never found]. It did not, and this lack of foresight was one reason the FBI was always three steps behind in the hunt for Patty.

In recent years, the federal government has poured millions of dollars in its fight against the Mafia, but no federal funds have been made available for countermeasure techniques to combat political terrorism.

Yet, when was the last time you ever heard of the Mafia kidnaping anyone to convert him to the life of a gangster? Or when has the Mafia ever sent out communiques saying that it wanted to destroy America?

Even FBI Director Clarence Kelley acknowledges that his agency was dealing with an entirely unfamiliar situation in the Hearst case. "These are people who do not make contact with friends, relatives, and associates," he said recently. "They go underground."

Unfortunately, the FBI doesn't have the faintest idea where "underground" is.

The prediction is that Patty and her two companions, Bill and Emily Harris, won't get caught thru any superinvestigative work by the FBI. Receiving a parking ticket or making some other stupid mistake will more likely lead to their capture.

The pattern has already been established.

RE: CONTACT WITH FEDERAL AND STATE PRISONS.

IT IS NOTED THAT PRIOR TO THE KIDNAPING OF PATRICIA HEARST, WILLIAM AND EMILY HARRIS WERE DEEPLY INVOLVED IN THE PRISON REFORM PROGRAM IN THE SAN FRANCISCO BAY AREA AND UPON NUMEROUS OCCASIONS, VISITED PRISONERS IN CALIFORNIA PRISONS AND WERE MEMBERS OF THE BLACK CULTURAL ASSOCIATION, A PRISONER ORIENTED PROGRAM AT THE CALIFORNIA MEDICAL FACILITY AT VACAVILLE, CALIFORNIA. IN VIEW OF THIS, THE POSSIBILITY EXISTS THAT IN THEIR FUGITIVE STATUS, THEY COULD CONTINUE TO BE INVOLVED IN PRISON REFORM PROGRAMS AND TO VISIT INMATES OF PENAL INSTITUTIONS. THEREFORE, IT IS SUGGESTED THAT THE BUREAU DIRECT ALL OFFICES TO CONTACT BOTH STATE AND FEDERAL PRISONS IN THEIR TERRITORIES AND LEAVE COPIES OF WANTED FLYER 475A WITH CORRECTIONAL OFFICERS WHO COME IN CONTACT WITH VISITORS. ALSO, IF THESE OFFICES HAVE ANY SOURCES WITHIN VARIOUS PRISON REFORM PROGRAMS IN THEIR TERRITORIES, SOURCES SHOULD BE ALERTED TO THE POSSIBLE PRESENCE OF WILLIAM AND EMILY HARRIS AND PATRICIA HEARST.

Dear Super Pig,

George Clifford, writer of "The FBI's Search for Patty Hearst" in the December 1974 issue of Argosy magazine, was right. People on the run do often read stories about themselves, and in this case, it has happened again.

But you and your flunkies are wrong if you think a sell-out bourgeois article in a bourgeois controlled magazine is going to cause me or my friends to turn ourselves in.

Clifford, yourself and your flunkies must think my friends and I are stupid or that we're not sincere about what we're doing. How could you puppets of people like my family and the Rockefellers think that just because Fidel Castro used the courtroom as a "forum" that my friends and I are going to turn ourselves in--just to have the "opportunity" to use the courtroom as a "forum?" Fidel didn't want to be in the courtroom when he wrote his masterpiece, "History Will Absolve Me." But because he was caught, only after he did everything in his power to escape from the captivity of the enemies of the people, he used the unfortunate situation as an educational experience for the people. My friends and I will do our best to prevent a "History Will Absolve Me" Situation from arising in our cases, and if such a situation does arise, we hope we'll be able to deal with the situation in as revolutionary a manner and as magnificently as the people's hero, Fidel Castro, did.

So don't pat yourselves on the back for the Argosy article be-

we're revolutionaries. We don't doubt that at all. And for that reason, we don't have to run out and do something just because Fidel, Che or other revolutionaries have done it. (And you are wrong, Che is still a beloved hero of the people and always will be.)

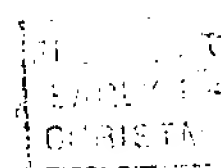

You inhuman clods fail to understand that true revolutionaries deal with their specific situations according to the realities of the times ~~that~~ they are living in. And they do not blindly follow the actions of other successful revolutionaries.

The realities of the times calls for us to continue hiding and letting you brainless puppets run around making fools of yourself in front of the world's proletariat majority. No matter how much propoganda you put out, you can't fool the people. We're not unthinking robots like you. I personally am not worth the \$5.2 million or the century-and-a-half of man-hours you clods are spending in trying to locate me. The people know it, especially now that capitalism is dying throughout the world. You're only adding fuel to capitalism's destruction by your actions. So the longer I'm unfound, the more you'll waste of the people's money needlessly, and the more people will become more convinced than ever of the inevitable decline and fall of capitalism.

It's ironic, but you clods are helping educate the people, my friends and myself about the urgency of a revolution in the U.S. You're idiotic behavior just convinces us further and makes our unity stronger. So thanks for helping speed up the process for a true people's revolution in the U.S.

Examination requested: Document - Fingerprint

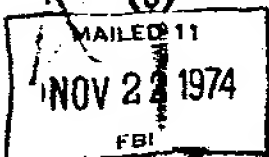

Remarks:

Q1923 and Q1924 are being returned separately with the results of the latent fingerprint examination.

As pointed out in the attached Laboratory report, a few differences were observed in comparing the questioned writing on Q1923 with the available writing of HEARST, K32. The Laboratory has previously remarked that no known hand printing or signatures of PATRICIA CAMPBELL HEARST have been submitted for comparison purposes. San Francisco should still obtain and submit to the Laboratory for future comparison purposes any available signatures, hand printing, and other writing of HEARST that might be available.

Q1924 Slip of paper bearing handwritten message beginning "Wait for us ~~again~~ -..."

Result of examination:

Q1923 and Q1924 were not associated with material maintained in the Anonymous Letter File. Copies have been added thereto.

A definite conclusion was not reached whether the questioned writing on Q1923 and Q1924 was prepared by PATRICIA CAMPBELL HEARST, writer of E32, due to the presence of unexplained variations and the lack of sufficiently comparable writing. However, differences observed in comparing the available writing of HEARST, E32, with the questioned writing on Q1924 indicates that this questioned writing was probably not prepared by HEARST. Also, a few differences were observed in comparing the available writing of HEARST with the questioned writing on Q1923.

FUGITIVE PATRICIA HEARST AND WILLIAM AND EMILY HARRIS WITHOUT
AFFECTING ANY IDENTIFICATION.

RE REVIEW OF EVIDENCE

SAN FRANCISCO HAS COMPLETED THE RE-REVIEW OF EVIDENCE OBTAINED FROM 1560 SUTHERLAND COURT, CONCORD, 5939 CHAROT ROAD, OAKLAND, 4616 BOND STREET, OAKLAND, 3856 WHITTLE STREET, OAKLAND, 434 - 41ST STREET, OAKLAND, AND 627 - 15TH STREET, OAKLAND, ALL OF WHICH WERE KNOWN RESIDENCES OF THE SLA MEMBERS. SOME INVESTIGATIVE LEADS DEVELOPED, HOWEVER, THEY PROVED TO BE UNPRODUCTIVE.

RE BETTY BUNNELL'S LETTER TO THE "BERKELEY BARB"

IN REGARD TO MRS. BUNNELL'S LETTER WHICH APPEARED IN THE "BARB", ISSUE OF NOVEMBER 8-14, 1974, WHICH IS DIRECTED TO TEK0 AND WHERE SHE INDICATES THAT HE IS ALWAYS IN HER THOUGHTS AND SHE IS PROUD OF HIM. MR. BUNNELL STATED THAT THIS LETTER WAS AN ATTEMPT BY HIS WIFE TO REACH HER SON, WILLIAM HARRIS, AND LET HIM KNOW SHE HAD NOT FORGOTTEN HIM. INDIANAPOLIS ADVISES THAT MRS. BUNNELL IS COLLECTING FUNDS AND DEPOSITING THEM IN A JOINT ACCOUNT OF HERS AND WILLIAM HARRIS'S TO BE USED AS A DEFENSE FUND IF IT IS NEEDED. THE SOURCE OF THESE FUNDS IS PRIMARILY VA BENEFITS AND PROCEEDS OF SALE OF ITEMS ABANDONED BY THE HARRIS'S AT SAN FRANCISCO. [REDACTED] b7D

RE ANGELA DAVIS DEFENSE COMMITTEE (ADDC)

WE CONTINUE TO INTERVIEW INDIVIDUALS WHO WERE MEMBERS OF THE ADDC AT INDIANA UNIVERSITY; HOWEVER, TO DATE, NONE OF THESE INDIVIDUALS HAVE INDICATED THEY ARE AWARE OF THE WHEREABOUTS OF THE FUGITIVES.

RE ARKO GASOLINE COMPANY STREET MAP FOR SAN FRANCISCO FOUND AT 833 WEST 84TH STREET, LOS ANGELES.

A REVIEW OF THIS MAP INDICATES THAT A ROUTE HAS BEEN PENCILED IN SHOWING THE GET-AWAY ROUTE FROM THE ROBBERY OF THE HIBERNIA BANK ON APRIL 15, 1974. THE PENCILED ROUTE GOES FROM THE BANK TO THE PLACE WHERE THE INITIAL GET-AWAY CARS WERE ABANDONED AND THE SWITCH WAS MADE INTO THE COOL CARS. THEN, BY CIRCUITOUS ROUTE, BACK TO THE VICINITY OF THE GOLDEN GATE AREA; HOWEVER, AT THIS POINT, IT IS IN THE CREASE OF THE MAP AND IS NOT EASILY DISCERNABLE. IN ADDITION, THERE IS CIRCLED THE AREAS OF THE TWO SLAPDAS IN DALY CITY WHICH WERE 37 NORTHRIDGE DRIVE, AND 514 WINCHESTER DRIVE, BOTH DALY CITY.

• • RE VO - CDC

IN REGARD TO THIS ASPECT OF THE INVESTIGATION, WE HAVE, TO DATE, INTERVIEWED NUMEROUS INDIVIDUALS, SOME OF WHOM APPEAR COOPERATIVE AND OTHERS WHO REFUSED INTERVIEW. AS OF THIS TIME, WE HAVE OBTAINED NO POSITIVE INFORMATION REGARDING THE FUGITIVES OR THE LOCATION OF THERO WHEELER WHO WAS REPORTEDLY A MEMBER OF THE VO.

RE BLACK CULTURAL ASSOCIATION (BCA)

WE CONTINUE INTERVIEWING FORMER APPLICANTS OF THE BCA. THE MAJORITY OF WHICH APPEAR COOPERATIVE; HOWEVER, MANY OF THESE PEOPLE WERE NOT ACTUALLY MEMBERS OF THE BCA BUT ATTENDED A NUMBER OF MEETINGS AT THE CALIFORNIA MEDICAL FACILITY AT VACAVILLE AS SCHOOL PROJECTS AND OTHER SOCIAL TYPE ENDEAVORS, AND TO DATE, WE HAVE OBTAINED NO INFORMATION OF THE WHEREABOUTS OF THE SLA FUGITIVES.

AS A RESULT OF A SUBSEQUENT SEARCH OF 833 WEST 84TH STREET, A
BROWN PAPER BAG REVEALING COMMERCIAL MARKINGS OF WEATHERBY FIREARMS
CO., SOUTHGATE, CALIF., WAS DISCOVERED. WITH THIS IN MIND, AND THE
SHOOTING INCIDENT ON MAY 16, 1974, AT MEL'S SPORTING GOODS STORE
INVOLVING SLA FUGITIVES, LOS ANGELES REVIEWED THE FIREARMS TRANS-
ACTION RECORD (ATF FORM 4473) AND AMMUNITION PURCHASE RECORDS AT BOTH
OF THESE COMMERCIAL ESTABLISHMENTS IN THE EVENT WEAPONS OR AMMUNITION
HAD BEEN PURCHASED BY SLA FUGITIVES OR DECEASED SLA MEMBERS. THIS
REVIEW FAILED TO ESTABLISH ANY PURCHASE UNDER KNOWN ALIASES HOWEVER
UTILIZING PURCHASE PERIOD OF MAY 1 THROUGH 16, 1974, AND BIRTH DATES
SUBSEQUENT TO 1935, AS INDICATED ON ATF FORM, DRIVER'S LICENSES OF
ALL PURCHASER'S FALLING WITHIN THIS CRITERIA HAVE BEEN REQUESTED.
UPON RECEIPT OF SAME, THESE LICENSES WILL BE REVIEWED FOR BOTH PHYSICAL
DESCRIPTION AND PHOTOS IN AN EFFORT TO DETERMINE IF, IN FACT, WEAPONS
HAD BEEN PURCHASED BY SLA FUGITIVES UTILIZING AN ALIAS NOT YET UNCOVER-

INVESTIGATION RE A SCRAP OF PAPER LOCATED IN THE RESIDENCE AT
833 WEST 84TH ST., LOS ANGELES, CALIF., WITH THE NOTATION, "688-2850,
RM. 7638, B-1" DETERMINED THAT THIS IS THE TELEPHONE NUMBER FOR THE
U. S. GEOLOGICAL SURVEY, ROOM 7638, 300 NORTH LOS ANGELES, LOS

[REDACTED], U. S. GEOLOGICAL
SURVEY, ADVISED THE INFO NOTED AS "B-1" INDICATES THAT A TELEPHONE
ORDER FOR A MAP WAS PLACED WITH HER. WHEN A TELEPHONE ORDER IS
RECEIVED, THE FIRST LETTER OF THE FIRST NAME OF THE PERSON RECEIVING
THE ORDER AND A NUMBER INDICATING THE ORDERS CONSECUTIVELY RECEIVED
BY THAT PERSON IS GIVEN AS A REFERENCE NUMBER

DEED INQUIRY AT THE U. S. GEOLOGICAL SURVEY INDICATES THAT
THEY DO NOT HAVE SUFFICIENT RECORDS RE THE SALES OF MAPS TO IDENTIFY
THE MAPS SOLD ON PARTICULAR DAYS. PHOTOS OF THE SLA MEMBERS AND THE
FUGITIVES WERE SHOWN TO EMPLOYEES AT THE U. S. GEOLOGICAL SURVEY WITH

--FREDERICK SOLTYSIK--

FREDERICK SOLTYSIK, BROTHER OF MIZMOON SOLTYSIK, SANTA BARBARA, CALIF., HAS INDICATED PREVIOUSLY THAT HE HAS BEEN CONSIDERING SENDING AN OPEN LETTER TO SEVERAL UNDERGROUND OR RADICAL NEWSPAPERS. SOLTYSIK'S INTENTION IN WRITING THIS LETTER IS TO INDICATE HIS OPINION PUBLICLY THAT WILLIAM HARRIS IS RESPONSIBLE FOR THE DEATH OF HIS SISTER AND THE OTHERS WHO DIED WITH HER ON MAY 17, 1974, IN LOS ANGELES.

FREDERICK SOLTYSIK HAS PROVIDED A PROPOSED TEXT OF THIS LETTER WHICH HE WILL ADDRESS "A LETTER TO BILL HARRIS". THE FOLLOWING IS A TEXT OF THIS LETTER:

"SIX MONTHS HAVE PASSED SINCE MAY 17. I ASK NOW AS I ASKED THEN, WHY DID SIX PEOPLE DIE ON 54TH STREET?

"MY SISTER DIED ON HER BIRTHDAY. MY SISTER DID NOT CHOOSE TO DIE ON THAT PARTICULAR DAY. THE CONFRONTATION WAS FORCED. THE LAPD, NOT THE SLA, CHOSE THE TIME AND PLACE. THAT WAS A SERIOUS ERROR.

"THE FATALISM WHICH THE POPULAR PRESS ASCRIBED TO THOSE SIX CONRADES REPRESENTS A DANGEROUS FABRICATION, A ROMANTIC FICTION WHICH ALLOWS YOU, BILL HARRIS, TO MINIMIZE YOUR RESPONSIBILITY AND OFFERS YOU THE LUXURY OF AN ASSUAGED CONSCIENCE. THE LAPD CHOSE THE TIME

PAGE NINE

LA 7-1627

AND PLACE BECAUSE OF AN 'ERROR'. BILL HARRIS, WHOSE JUDGEMENT FAILED, WHOSE COMRADES CONSEQUENTLY DIED?

"AND WHAT HAS HAPPENED TO THE IDEALS SO STRONGLY ESPOUSED. HAS MACHISMO TAKEN PRIORITY AND HAVE THOSE IDEALS BEEN SACRAFICED? I WOULD HOPE NOT. BUT THE SELF PITY AND TERSE EULOGIES I HEARD AFTER MAY 17 SUGGEST OTHERWISE. I WOULD WANT TO BELIEVE THAT ON THE ANNIVERSARY OF HER BIRTH, ZOYA NEED NOT HAVE RECEIVED YOUR GIFT. SIGNED, FRED SOLTYSIK".

THE BUREAU IS REQUESTED TO CONSIDER PROVIDING THE TEXT OF SOLTYSIK'S LETTER SET FORTH ABOVE TO THE BEHAVIORAL SCIENCE UNIT OF THE TRAINING DIV IN ORDER THAT THEY MIGHT ANALYZE ITS CONTENTS. THE BEHAVIORAL SCIENCE UNIT MAY HAVE SOME OPINION AS TO WHAT REACTION THIS LETTER MIGHT BRING FROM WILLIAM HARRIS OR THE FUGITIVES.

FREDERICK SOLTYSIK INTENDS IN THE NEAR FUTURE TO SEND THIS LETTER TO UNDERGROUND AND RADICAL NEWSPAPERS IN THE SAN FRANCISCO AND LOS ANGELES AREAS TO INCLUDE THE "LOS ANGELES FREE PRESS" AND THE "PERKELEY BARB". SOLTYSIK INDICATED THAT HE FEELS THIS LETTER IS AN ACCURATE DESCRIPTION OF HIS FEELINGS IN HIS OWN WORDS.

Dear Mr. Caughlan:

P. Hearns

In connection with our investigation concerning Patricia Hearst and Emily and William Harris, the FBI is attempting to reach as many citizens as possible in order to solicit their cooperation in locating these fugitives. We are considering the use of the television medium in our efforts and are interested in reviewing film footage pertaining to this matter.

Charles W. Bates, Special Agent in Charge of our San Francisco Office, has advised that you have a considerable amount of excellent film coverage of events both preceding and following the kidnaping of Patricia Hearst. We would be very appreciative if you would permit us to review this film at FBI Headquarters in Washington, D. C., so that a decision can be made with regard to using television publicity in this matter. We would make no further use of the film, of course, without your full knowledge and permission, and would return the film to you promptly following our review.

REC-84 7-15200-3714

As a follow-up to this letter, I am asking Mr. Bates to contact you so that if you are agreeable to our request, appropriate arrangements may be made to ship the film to FBI Headquarters. I intend, of course, that the handling of this film be at no expense and minimal inconvenience to you.

Please accept my sincere appreciation for your consideration in this matter.

Sincerely yours,

Details of handling and shipping the film and any problems concerning its review at FBIHQ should be coordinated with the Research Section, External Affairs Division.

Letter to Mr. Russ Caughlan

NOTE: In connection with our intensification of "Hearnap" publicity we are considering the possibility of cooperating with a major television network in the production of a show dealing with our efforts to locate Patricia Hearst and the Harrises. Our San Francisco Office has advised us that Mr. Caughlan, the General Manager of KGO-TV (ABC) in San Francisco, is willing to cooperate fully with us. However, he desires to have a letter from the FBI indicating our needs and intentions in connection with the film. Upon review of the film at FBIHQ, we will be in a better position to decide whether to continue consideration of a television show on the "Hearnap" matter.

Re Bureau nitel to all SACs, 10/2/74.

MONTHLY AIRTEL SUMMARY:

Delay in submission of summary due to case agent's involvement in expedite kidnaping, bank robbery, and extortion matters, in addition to duties as relief supervisor, technical agent, criminal informant co-ordinator, and northern road trip agent. Every effort will be made to insure these summaries are submitted on a timely basis in the future.

Since receipt of referenced nitel, dissemination of WF-475A has been utilized on a division-wide basis as a vehicle for contacting pertinent individuals, businesses, organizations and agencies in an effort to familiarize them with photos and descriptive information re subjects; and also to impress upon them the great importance with which this matter is regarded by the Bureau and the vital necessity for them to immediately report any information of value developed.

In connection with the above:

REC-102 7-15200-2716
1. All criminal, security and extremist informants within the division were furnished with appropriate information and advised of Bureau's willingness to make a sizable cash payment on a COD basis for information resulting in location and apprehension of subjects.

2. Virginia Division of Motor Vehicles, Richmond, was furnished with appropriate information and stops placed in the event subjects attempt to register vehicle or obtain operator's license under true names or known aliases. It is noted that Virginia Division of Motor Vehicles does not retain photos or fingerprints of applicants for operators' licenses.

3. Appropriate dissemination was made to Abortion and Health Clinics, and major hospital emergency rooms and outpatient clinics throughout the division.

4. Dissemination was made to temporary labor offices in Richmond, others within the division, and to the headquarters and branch offices of the Virginia State Employment Commission.

5. Dissemination was made to major camping supply outlets, auto rental agencies, welfare and charitable organizations, and university and college personnel offices throughout the division.

6. Police Departments throughout the division were supplied with additional copies of WF-475A, and were personally contacted with specific reference to insuring all personnel are familiar with pertinent aspects of captioned matter.

7. The Richmond-Petersburg toll road authority was furnished with sufficient copies of WF-475A to equip each bulletin board and each manually-operated toll booth on Interstate 95.

8. During the period since receipt of referenced nitel, SAC and ASAC have participated in a total of approximately 27 public appearances with news media, PDs, and civic associations, wherein captioned matter has been discussed and publicized. In addition, 6 articles and editorials touching on captioned matter have appeared in area newspapers and magazines since receipt of referenced nitel.

It should be noted that Richmond file contains copies of 192 news articles and editorials concerning captioned matter, which have appeared in area publications

since 2/4/74. Many of these articles were the direct result of contacts with news media by SAC, SRAs, and other designated Bureau speakers.

Further, prior to receipt of referenced nitel, Richmond, on its own initiative, circularized all national and state parks in Virginia, which provide camping facilities, in an effort to familiarize personnel with captioned matter and to stress the Bureau's interest.

Richmond intends to conduct the following investigation in the near future:

1. Saturate logical privately-operated camp grounds within the division.
2. Disseminate to major gun dealers within the division.
3. Disseminate to offices of Offender Aid and Restoration (OAR), in view of subjects' past interest in prison reform.
4. Continue efforts to maintain public interest in captioned matter.
5. Diligently utilize every available avenue of investigation in an effort to accomplish the location and apprehension of subjects.

Re: SIA Weapons Recovered At
1466 East 54th Street, Los Angeles

Re SF teletype 8/27/74.

Weapons recovered after the shootout at 1466 East 54th Street, Los Angeles, California, with members of the SIA, were examined by the FBI Laboratory and subsequently returned to the Los Angeles Police Department (LAPD), who recovered them. The FBI Laboratory has been provided with one revolver and expended brass obtained from the Inglewood Police Department at Mel's Sporting Goods Store, Inglewood, the scene of the shooting on 5/16/74 by PATRICIA HEARST, WILLIAM HARRIS and EMILY HARRIS.

San Francisco requested in referenced communication that gunsmiths be contacted to determine if there are any gunsmiths in the Los Angeles area capable of altering carbines to fire at a high cyclic rate, as were the recovered SIA weapons. Contacts with ATF Division, U.S. Treasury Department, Los Angeles, and firearms experts of the LAPD have indicated that discreet investigations through reliable firearms sources in the Los Angeles area by these departments has been unable to identify anyone performing these conversions.

ATF and the LAPD are very concerned that the method of conversion used on the SIA weapons does not become known to unreliable gunsmiths. This concern results from the fact that, as noted by the FBI Laboratory, this conversion of the commonplace .30 caliber carbine to a weapon with a high cyclic rate of fire could have been accomplished by an individual with simple machine tools.

Unless advised to the contrary, Los Angeles will not make open inquiries regarding this conversion since the necessity in attempting to describe the method of conversion would be disclosed to those persons contacted. Los Angeles will maintain close contact with the LAPD, Los Angeles ATF, and any other known reliable firearms experts in the Los Angeles area in an attempt to develop additional information regarding who might have done this conversion work for the SIA.

Dear Super Pig,

George Clifford, writer of "The FBI's Search for Patty Hee" in the December 1974 issue of Argosy magazine, was right. People on the run do often read stories about themselves, and in this case, it has happened again.

But you and your flunkies are wrong if you think a sell-bourgeois article in a bourgeois controlled magazine is going to cause me or my friends to turn ourselves in. ~~George Clifford~~ Clifford, yourself and your flunkies must think my friends

and I are stupid or that we're not sincere about what we're doing. How could you puppets of people like my family and the Rockefeller think that just because Fidel Castro used the courtroom as a "forum" that my friends and I are going to turn ourselves in--just to have the "opportunity" to use the courtroom as a "forum?" I didn't want to be in the courtroom when he wrote his masterpiece "History Will Absolve Me." But because he was caught, only after he did everything in his power to escape from the captivity of the enemies of the people, he used the unfortunate situation as an educational experience for the people. My friends and I will do our best to prevent a "History Will Absolve Me" Situation from arising in our cases. And if such a situation does arise, we hope we'll be in the situation in as revolutionary a manner and as much as the people's hero, Fidel Castro, did. I pat yourselves on the back for the Argosy article

cause it didn't work. The psychology behind it failed. We know we're revolutionaries. We don't doubt that at all. And for that reason, we don't have to run out and do something just because Fichte or other revolutionaries have done it. (And you are wrong, Chis still a beloved hero of the people and always will be.)

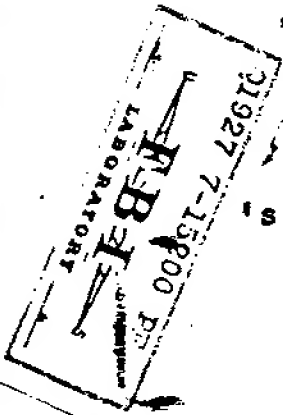

You inhuman clods fail to understand that true revolutionaries deal with their specific situations according to the realities of the times ~~that~~ they are living in. And they do not blindly follow the actions of other successful revolutionaries.

The realities of the times calls for us to continue hiding and letting you brainless puppets run around making fools of yourself in front of the world's proletariat majority. No matter how much propaganda you put out, you can't fool the people. We're not unthinking robots like you. I personally am not worth the \$5.2 million or the century-and-a-half of man-hours you clods are spending in trying to locate me. The people know it, especially now that capitalism is dying throughout the world. You're only adding fuel to

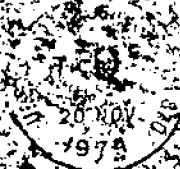

the fire by your actions. So the longer I'm underground the more you'll waste of the people's money needlessly, and the more the people will become more convinced than ever of the inevitable decline and fall of capitalism.

It's ironic, but you clods are helping educate the people, me, and myself about the urgency of a revolution in the U.S. This idiotic behavior just convinces us further and makes our underground work more necessary. So thanks for helping speed up the process for a true proletarian revolution in the U.S.

THIS INQUIRY, IT IS RECOMMENDED THAT THROUGH LIAISON THEY CONTACT REPRESENTATIVES OF WINCHESTER REPEATING ARMS COMPANY, NEW HAVEN, CONNECTICUT, OR ANY OTHER CONVENIENT MANUFACTURER OF M-1 CARBINES.

SAN FRANCISCO CONCURS WITH FEAR OF AUTHORITIES REFERRED TO IN LOS ANGELES AIRTEL REGARDING THE METHOD OF CONVERSION BECOMING KNOWN TO UNREPUTABLE GUNSMITHS; HOWEVER, IT IS FELT THAT GUNSMITHS CAN BE CONTACTED AND QUERIED AS TO WHETHER THEY CAN CONVERT M-1 OR M-2 CARBINES TO FIRE APPROXIMATELY 1200 ROUND PER MINUTE ON FULL AUTOMATIC OR DO THEY HAVE ANY KNOWLEDGE OF ANY INDIVIDUAL THAT COULD ACCOMPLISH SUCH A CONVERSION. THIS CAN BE DONE WITHOUT, IN ANY WAY, INDICATING THE METHOD IN WHICH THE RECOVERED WEAPONS WERE CONVERTED.

AS BUREAU AND SAN FRANCISCO AWARE, LAST POSITIVE SIGHTING OF OUR FUGITIVES WAS ON MAY 17, 1974, AND IT IS CONCEIVABLE THAT THEY MIGHT RECONTACT THE INDIVIDUAL WHO ALTERED THEIR WEAPONS OR THIS INDIVIDUAL MIGHT POSSESS INFORMATION WHICH COULD LEAD TO THEIR WHEREABOUTS.

TO : Mr. McDermott

DATE: 11-13-74

FROM : Mr. Heim

 SUBJECT: DICK RUSSELL
 ARTICLE CONCERNING "HEARNAP" INVESTIGATION

In connection with our efforts to focus greater public attention on the Hearnap fugitives, the External Affairs Division has been in contact with Dick Russell, a free-lance feature writer. Mr. Russell has interviewed Mr. Kelley in the past and has written two lengthy articles which dealt very favorably with Mr. Kelley's leadership of the FBI. One of these articles appeared in the University of Kansas Alumni magazine in November, 1973. The other was published in the Topeka Capital-Journal in September, 1974.

Mr. Russell expressed strong interest and enthusiasm in writing a feature article for newspaper publication concerning the FBI's efforts to locate Patricia Hearst and Emily and William Harris. Mr. Russell indicated that he would be most circumspect in preparing the article but would need in-depth information concerning the investigation including such material as unsuccessful leads we have covered, investigative techniques we have utilized (where confidential procedures would not be compromised), and anecdotal material. He further stated that he would like permission to interview FBIHQ officials handling this case and officials in our San Francisco and Los Angeles Offices.

OBSERVATIONS:

Mr. Russell's previous articles concerning Mr. Kelley attest to his skill and professionalism. His proven qualifications recommend him highly for an assignment to prepare a fresh and imaginative article on the Hearnap investigation.

It is noted that by memorandum Mr. R. F. Bates to Mr. Gebhardt, dated 9-17-74, under the Hearnap caption,

RE: DICK RUSSELL, ARTICLE CONCERNING "HEARNAP" INVESTIGATION

approval was given to greatly intensify our efforts to publicize the Hearnap fugitive matter. It was pointed out in that memorandum, in connection with certain publicity in this matter, that complete cooperation and assistance by the Bureau in furnishing extensive information about this case and in permitting top officials to be interviewed would be necessary. In order to prepare a meaningful and newsworthy article relating to the Hearnap matter, Mr. Russell will undoubtedly need this same type of cooperation and assistance.

RECOMMENDATIONS:

(1) That authority be given to cooperate, within security limitations, with Mr. Russell in connection with a major news article on the Hearnap case, including full briefing and permission to interview FBIHQ, San Francisco, and Los Angeles officials in this matter.

(2) That this memorandum be returned to the Research Section, External Affairs Division, so that arrangements may be made for appropriate briefing and interviews.

Re circularization warrant flyer 475A, 9/25/74 -
Fraternal Order of Police (FOP), and Cleveland airtel to
Detroit, 10/25/74.

On 11/19/74 a possibility of dissemination of
captioned wanted flyer was discussed with Lieutenant R.
BANNISTER, Flint, Michigan, Police Department, and current
National Secretary, FOP. BANNISTER advised that he would
fully cooperate in the circularization of any information
through the FOP National Journal concerning wanted subjects
in this case. Upon review of FBI Police Bulletin, 10/4/74,
BANNISTER advised that it would be considerably easier for
him to reproduce the information on the front of this bulletin
and the information on the back of the bulletin than it
would be to furnish a copy of the wanted flyer to the re-
cipients of their National Journal. BANNISTER advised that
the information appearing on the front and back of the FBI
Police Bulletin, 10/4/74, would be added as two pages to
the January issue of the FOP National Journal.

BANNISTER will be advised to proceed with his
plans of inclusion of this information in the January issue
of the FOP National Journal UACB.

On Friday, 11/22/74, a letter (Xerox copy attached) addressed to the Director was received at FBIHQ. The letter was in response to the "Argosy" magazine article just published regarding this case. The writer in essence states that Tania and her friends are rejecting the article's appeal for them to surrender and are true revolutionaries. This completely type-written two page letter addressed to the Director bore the typewritten name of Tania, the name adopted by Patricia Campbell Hearst, as the author. The envelope containing the letter carried a return address of P. O. Box 8189, San Clemente, Calif. The envelope was postmarked U. S. Postal Service, N. M. 870 and dated 20 Nov. 1974, P. M.

Immediately upon receipt the Los Angeles, Albuquerque and San Francisco Offices were advised of receipt of this letter as well as personnel of the Laboratory and Identification Divisions. By teletype dated 11/22/74, our Los Angeles Office advised that Los Angeles indices were negative regarding P. O. Box 8189. The U. S. Secret Service, Los Angeles, advised that P. O. Box is unknown to them and is not connected in any way with former President Nixon. Postmaster, San Clemente, Calif., advised P. O. Box 8189 is non-existent. He stated all boxes in the San Clemente Station are in the 2,000 series. Further inquiry at San Juan Capistrano, Calif., disclosed above P. O. Box non-existent in that town.

The Albuquerque Office also by teletype dated 11/22/74, advised that R. T. Slocum, Postal Inspector, Albuquerque, N. M., advised that postmark "Nov. 20, 1974, N.M., 870" is a New Mexico postmark from the Albuquerque Sectional Center Facility 870 which handles all Albuquerque and surrounding small towns mail. Slocum stated that since the discontinuance of area post office identification numbers, he would be unable to pinpoint where in Albuquerque or surrounding small towns the letter was

actually deposited for delivery. Inquiry with postal employees handling east coast mail 11/20/74, at the Sectional Center was negative regarding this envelope.

A summary of the Laboratory examination findings are as follows:

The letter and envelope were not associated with material maintained in the Anonymous Letter File.

The typewriting on the envelope and letter corresponds to Laboratory standards for a Remington Pica style of type, spaced ten characters per horizontal inch. No typewriting on items previously submitted to the Laboratory in this case and case captioned "Symbionese Liberation Army (SLA), EM," were found to correspond to this style of type.

The envelope and letter contain no watermarks, indented writing of significance or other characteristics to aid in definitely determining their source. A ten-cent U. S. Postal Service stamp, torn from a booklet of stamps, is affixed to the envelope.

The Identification Division advised that the specimens were examined and no latent prints of value developed.

Los Angeles, Albuquerque and San Francisco were advised of the results of these examinations.

Dear Super Pig,

George Clifford, writer of "The FBI's Search for Patty Hearst" in the December 1974 issue of Argosy magazine, was right. People on the run do often read stories about themselves, and in this case, it has happened again.

But you and you're flunkies are wrong if you think a sell-out bourgeois article in a bourgeois controlled magazine is going to cause me or my friends to turn ourselves in.

Clifford, yourself and your flunkies must think my friends and I are stupid or that we're not sincere about what we're doing. How could you puppets of people like my family and the Rockefellers think that just because Fidel Castro used the courtroom as a "forum" that my friends and I are going to turn ourselves in--just to have the "opportunity" to use the courtroom as a "forum?" Fidel didn't want to be in the courtroom when he wrote his masterpiece, "History Will Absolve Me." But because he was caught, only after he did everything in his power to escape from the captivity of the enemies of the people, he used the unfortunate situation as an educational experience for the people. My friends and I will do our best to prevent a "History Will Absolve Me" Situation from arising in our cases, and if such a situation does arise, we hope we'll be able to deal with the situation in as revolutionary a manner and as magnificently as the people's hero, Fidel Castro, did.

So don't pat yourselves on the back for the Argosy article be-

ENCLOSURE

We're revolutionaries. We don't doubt that at all. And for that reason, we don't have to run out and do something just because Fidel, Che or other revolutionaries have done it. (And you are wrong, Che is still a beloved hero of the people and always will be.)

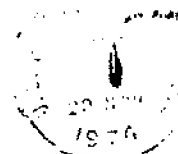

You inhuman clods fail to understand that true revolutionaries deal with their specific situations according to the realities of the times ~~xxxx~~ they are living in. And they do not blindly follow the actions of other successful revolutionaries.

The realities of the times calls for us to continue hiding and letting you brainless puppets run around making fools of yourself in front of the world's proletariat majority. No matter how much propoganda you put out, you can't fool the people. We're not unthinking robots like you. I personally am not worth the \$5.2 million or the century-and-a-half of man-hours you clods are spending in trying to locate me. The people know it, especially now that capitalism is dying throughout the world. You're only adding fuel to capitalism's destruction by your actions. So the longer I'm unfound, the more you'll waste of the people's money needlessly, and the more people will become more convinced than ever of the inevitable decline and fall of capitalism.

It's ironic, but you clods are helping educate the people, my friends and myself about the urgency of a revolution in the U.S. Your idiotic behavior just convinces us further and makes our unity stronger. So thanks for helping speed up the process for a true people's revolution in the U.S.

Mexico Kidnapers Ask Food Ransom

MEXICO CITY. (UPI) — Kidnapers of a Mexican woman who disappeared from her home in Cuernavaca Nov. 14 threatened yesterday to kill her unless her family pays a ransom of \$300,000 worth of food to be distributed to the poor.

The kidnapers, who called themselves the United Popular Liberation Army of America, also demanded properties owned by her family. The group left two communiques in a Mexico City subway station, and alerted the newspaper La Prensa in a phone call.

IN ACAPULCO

It was the first news about Sara M. Davis, 50, wife of American real estate broker Ogden Thomas Davis, since she disappeared from her home.

Cuernavaca is a resort town about 50 miles south of Mexico City.

"The last person to see her was one of my workers," Davis, 67, said in a telephone

conversation. "I was in Acapulco at the time on business. He spoke to her around 6 p.m. Thursday afternoon, and she said she had an appointment with a neighbor at 8. She never got there.

"On Friday, one of the workers went to the house, found the lights on, all the doors open, he knew something was wrong, and notified the police.

"All her clothes are here. It certainly is not the case of a wife running away. We've been married 17 years and we get along very well. It's undoubtedly a case of kidnaping.

FIRST WORD

"Up to now I've heard nothing from the kidnapers. I have not been contacted at all."

Davis, originally from Washington, D.C., said the first word from his wife's kidnapers came from a La Prensa reporter who read him the communiques at his home yesterday afternoon.

HE IS ACQUAINTED WITH BILL HARRIS WHO WAS A YEAR AHEAD OF HIM IN SCHOOL FROM APPROXIMATELY 1958 TO 1963. HE KNEW HARRIS AS AN ENTERTAINING, MILD MANNERED, INTELLIGENT YOUTH WHO HAD MANY FRIENDS. HARRIS LIVED AT THAT TIME WITH HIS PARENTS WHO WERE FINANCIALLY PROSPEROUS AT THE EDGE OF THE WOODLAND COUNTRY CLUB.

[REDACTED] BUT DOES NOT CONSIDER HIMSELF TO BE A PARTICULARLY CLOSE FRIEND OF HARRIS. HE RECALLED THAT HARRIS WENT TO COLLEGE (NAME OF SCHOOL NOT REMEMBERED) WHEN HARRIS GRADUATED IN 1963. [REDACTED] CANNOT RECALL WHEN LAST HE MIGHT HAVE SEEN HARRIS BUT BELIEVES IT COULD NOT HAVE BEEN AFTER 1965

[REDACTED] HAS NEVER CORRESPONDED WITH HARRIS AND COMPLETELY LOST TRACK OF HIM AFTER ABOUT 1965. HE DOES NOT KNOW EMILY HARRIS OR PAIRICIA HEARST.

HARRIS WAS LISTED AS A WORKER FOR THE ABOVE MENTIONED UNDERGROUND STUDENT NEWSPAPER. THE NEWSPAPER WAS PUBLISHED PRIMARILY FROM APRIL, 1971, THROUGH JUNE, 1974. WE ARE CONTACTING APPROPRIATE CO-WORKERS ON THE NEWSPAPER IN AN EFFORT TO DETERMINE IF THEY HAVE KNOWLEDGE OF HARRIS'S WHEREABOUTS.

RE: LETTER RECEIVED BY GEORGE HEARST BEARING RETURN ADDRESS P.O. BOX 1855, TEMPE, ARIZONA.

THE ANONYMOUS WRITER OF THIS LETTER INDICATED THAT IF AN AD WERE PLACED IN THE PHOENIX NEWSPAPER WITH A PHONE NUMBER TO CALL, HE WOULD CONTACT THE NUMBER AND THE WRITER IMPLICATED HE HAD KNOWLEDGE OF PATRICIA HEAST. AN AD WAS PLACED AND OUR PHOENIX OFFICE ARRANGED APPROPRIATE COVERAGE.

ON THE EVENING OF NOVEMBER 22, 1974, A CALL WAS RECEIVED REGARDING THE AD IN THE NEWSPAPER AND THE CALLER INSTRUCTED THE SA (POSING AS A HEARST REPRESENTATIVE) TO GO TO A PAY PHONE BOOTH NEAR THE AIRPORT. AT THIS BOOTH, THE SA RECEIVED A PHONE CALL AND THE CALLER STATED HE IS A LOCAL PHOENIX RESIDENT AND LECTURES IN THE PHOENIX AREA. HE CLAIMED HE HAS BEEN CONTACTED

BY PATRICIA HEARST BUT SHE IS NOT IN THE STATE OF ARIZONA AT THE PRESENT TIME, ALTHOUGH HE EXPECTS TO SEE HER THE NEXT SUNDAY. WHEN HE WAS ADVISED BY THE SA OF THE NUMEROUS IRRESPONSIBLE TYPE CALLS RECEIVED IN THIS MATTER, THE CALLER SUGGESTED THAT RANDOLPH HEARST FURNISH QUESTIONS, THE ANSWERS TO WHICH WOULD BE KNOWN ONLY TO PATRICIA HEARST.

THE CALLER INDICATED THAT HE WOULD TELEPHONICALLY CONTACT THE SA ON SATURDAY, NOVEMBER 23, 1974, BETWEEN 5:00 AND 6:00PM, AT WHICH TIME THE QUESTIONS WOULD BE FURNISHED TO HIM AND HE WOULD PRESENT THEM TO PATRICIA HEARST, WHOM HE ALLEGEDLY WOULD BE IN CONTACT WITH ON NOVEMBER 24, 1974. WE HAVE HAD NO SUBSEQUENT CONTACT WITH THIS INDIVIDUAL SINCE THE NOVEMBER 22, 1974, CALL.

RE: HOLIDAY COVERAGE OF THE RESIDENCE OF RANDOLPH AND CATHERINE HEARST. b7E

WE HAVE CONSIDERED THE FEASIBILITY OF [REDACTED] [REDACTED] HOWEVER, HAVE DETERMINED THAT SUCH AN INVESTIGATIVE TECHNIQUE IS NOT NECESSARY

SINCE THE HEARSTS, PARTICULARLY CATHERINE, HAVE BEEN EXTREMELY COOPERATIVE WITH US IN THE PAST. [REDACTED] b7E

[REDACTED] WE HAVE EVERY REASON TO BELIEVE THAT THEY WILL CONTINUE TO SO COOPERATE. WE ARE IN CONTACT WITH THEM ON A DAILY BASIS THROUGH AN AGENT OF THIS OFFICE WHO HAS ESTABLISHED A VERY CLOSE RELATIONSHIP WITH THEM. WE HAVE AN AGENT IN THIS OFFICE WHO RESIDES IN CLOSE PROXIMITY TO THE HEARSTS AND WHO, ON A REGULAR BASIS, SPOT CHECKS THEIR RESIDENCE, AS DO SAS ASSIGNED TO THE SAN MATEO RESIDENT AGENCY. IT SHOULD BE NOTED THAT THE HEARST'S RESIDENCE DOES NOT LEND ITSELF TO THE ESTABLISHMENT OF A NEIGHBORHOOD SOURCE.

A TYPEWRITTEN COMMUNICATION WAS RECEIVED BY THE BUREAU ON NOVEMBER 22, 1974. THIS LETTER BORE A FICTITIOUS P.O. BOX IN SAN CLEMENTE, CALIFORNIA, AS BEING THE RETURN ADDRESS. IT WAS MAILED IN A LOCATION OTHER THAN CALIFORNIA AND INVESTIGATION CONCERNING SUCH MAILING WAS NEGATIVE.

THE FBI LAB AND IDENTIFICATION DIVISION WERE UNABLE TO FURNISH ANY PERTINENT INFORMATION CONCERNING THIS COMMUNICATION. THE LETTER WAS EXHIBITED TO THE PARENTS OF PATRICIA HEARST IN AN EFFORT TO DETERMINE IF ANY OF THE

RE: CIRCULARIZATION.

SAN FRANCISCO HAS ACCOMPLISHED CIRCULARIZATION OF ALL LOCALS OF THE HOTEL AND RESTAURANT EMPLOYEE UNIONS IN THE NINE WESTERN STATES UTILIZING WANTED FLYER 475A. TO DATE, WE HAVE HAD NO RESPONSE FROM THIS CIRCULARIZATION.

SACRAMENTO IS CIRCULARIZING CALIFORNIA STATE DEPARTMENT OF EMPLOYMENT, WHICH WOULD INCLUDE FARM LABOR INFORMATION CENTERS WITH WANTED FLYER 475A. THIS ENCOMPASSES ALL OF THEIR OFFICES IN CALIFORNIA.

RE: PUBLICITY.

AS A RESULT OF INTENSIVE MEDIA PUBLICITY BEING AFFORDED BY BUREAU AND ALL OFFICES, SAN FRANCISCO HAS NOTED A SUBSTANTIAL INCREASE IN THE NUMBER OF SIGHTINGS AND INFORMATION FROM THE GENERAL PUBLIC CONCERNING FUGITIVES. SUCH DATA IS BEING RECEIVED ON A FIELD-WIDE BASIS AND IS BEING VIGOROUSLY PURSUED.

THAT A BRIEF HAS BEEN FILED ON THE BEHALF OF LEWIS AND
THE GOVERNMENT IS DUE TO SUBMIT THEIR BRIEF ON DECEMBER 3

---MICKEY COHEN---

MICKEY COHEN REINTERVIEWED NOVEMBER 27, 1974, AND ADVISED
THAT HIS CONTACTS [REDACTED] HAD NOT BEEN PRODUCTIVE.
COHEN STATED [REDACTED] NOT BEEN ABLE TO GIVE HIM ANY

b7C

PAGE THREE

COHEN FURTHER ADVISED HE WAS UNABLE TO PROVIDE INTERVIEWING AGENTS WITH THE NAMES OF THE THREE BLACK MALES IN THE LOS ANGELES AREA WHO HAD BEEN OF ASSISTANCE IN HIS INVESTIGATION. IT IS NOTED THAT THESE WERE THE THREE BLACKS WHO PROVIDED COHEN WITH INFORMATION WHICH LED HIM TO DIRECT HIS ATTENTION TO CLEVELAND, OHIO, AREA. COHEN STATED THAT HE WAS OF THE OPINION THESE INDIVIDUALS WERE NO LONGER IN THE LOS ANGELES AREA. HE FURTHER STATED THAT HE COULD NOT PROVIDE ANY NAMES OF INDIVIDUALS HE CONTACTED IN THE CLEVELAND, OHIO, AREA AS THAT WOULD BE BETRAYING A TRUST.

COHEN ADVISED THAT HIS INVESTIGATION HAD BEEN BASED UPON INFORMATION AND NAMES THAT HAD BEEN PROVIDED TO HIM BY JAMES MC INNES, LAWYER FOR THE RANDOLPH HEARST FAMILY. WHEN QUESTIONED AS TO WHETHER THE THREE BLACK INDIVIDUALS HE HAD DEALT WITH IN LOS ANGELES WERE AMONG THOSE NAMES PROVIDED HIM BY MC INNESS, COHEN REPLIED NEGATIVELY. HE STATED THAT HE DID NOT BELIEVE THAT THE FBI HAD TALKED TO THESE INDIVIDUALS BEFORE. HE REITERATED THESE STATEMENTS HOWEVER HE COULD NOT PROVIDE THE INTERVIEWING AGENTS WITH THE NAMES OF THE THREE BLACK MALES.

LA 7-1627

PAGE FOUR

IT IS THE OPINION OF THE INTERVIEWING AGENTS THAT COHEN HAS CHANGED HIS STORY SOMEWHAT SINCE LAST INTERVIEWED. IT IS NOTED THAT HE WAS INCREASINGLY VAGUE ABOUT HIS CONTACTS IN BOTH THE LOS ANGELES AND CLEVELAND, OHIO, AREAS, AND IT APPEARS THAT HE MAY HAVE BEEN LETTING HIS IMAGINATION RUN FREE THROUGHOUT HIS INVESTIGATION.

TO FURTHER INVALIDATE INFORMATION PREVIOUSLY FURNISHED BY COHEN ON NOVEMBER 25, 1974, THE CLEVELAND DIVISION INTERVIEWED DELANO JACOB DE FREEZE, BROTHER OF DONALD DAVID DE FREEZE, AND INTERVIEWING AGENTS WERE OF THE OPINION THAT DELANO DE FREEZE DOES NOT POSSESS THE "CHARACTER OR INTELLIGENCE TO COMMAND ANY TYPE OF FOLLOWING OR AUDIENCE" AND IT ALSO APPEARED TO THE INTERVIEWING AGENTS THAT HE POSSESSED LITTLE, IF ANY, SIGNIFICANCE IN THE ENTIRE MATTER OTHER THAN HIS BLOOD RELATIONSHIP TO THE DECEASED DONALD DE FREEZE.

IN VIEW OF THE INTERVIEWS OF COHEN AND OF DELANO DE FREEZE, THE LOS ANGELES DIVISION CONTEMPLATES NO FURTHER CONTACT WITH COHEN REGARDING THIS MATTER.

PAGE FIVE

---ACTIVITIES 833 WEST 84TH STREET, LOS ANGELES, CALIF.---

ON NOVEMBER 13, 1974, THE RESIDENCE AT 833 WEST 84TH STREET, LOS ANGELES, CALIFORNIA, WHICH WAS OCCUPIED BY THE SLA FROM APPROXIMATELY MAY 10 UNTIL 16, 1974, WAS SEARCHED.

THIS RESIDENCE HAS BEEN LOCKED AND BOARDED SINCE MAY 17, 1974. DURING THE RE-SEARCH OF THIS RESIDENCE, A RENT RECEIPT DATED MAY 10, 1974, IN THE NAME OF SUSAN RIVERA WAS LOCATED WHEN THE CARPETING IN THE LIVING ROOM WAS RIPPED UP. IT IS NOTED THAT THIS RECEIPT IS THE ORIGINAL RECEIPT GIVEN BY KYLE JONES TO THE INDIVIDUAL LATER IDENTIFIED AS NANCY LING PERRY WHEN SHE RENTED THE RESIDENCE AT 833 WEST 84TH STREET ON MAY 10, 1974.

AT THE TOP OF THE RECEIPT IS THE HANDWRITTEN NOTATION, "ABC MANCHESTER AND HOOVER, MONEY ORDERS ONLY".

INVESTIGATION AT THE ABC MARKET REVEALED THAT THIS MARKET SELLS UNIVERSAL MONEY ORDERS AND LEADS HAVE BEEN SET OUT BY SEPARATE COMMUNICATION FOR NEW HAVEN TO OBTAIN MONEY ORDERS AVAILABLE AT UNIVERSAL MONEY ORDER HEADQUARTERS, MILFORD, CONNECTICUT.

BY TELETYPE NOVEMBER 26, 1974, NEW HAVEN ADVISED ORIGINAL MONEY ORDERS PERTINENT TO THIS MATTER HAVE BEEN DESTROYED. MICROFILM PHOTOGRAPHS OF THOSE MONEY ORDERS HAVE BEEN STORED IN

PAGE SIX

LA 7-1627

REELS OF 13,000 PHOTOGRAPHS EACH AND A COMPUTER IS UTILIZED TO LOCATE PARTICULAR MONEY ORDERS WHICH CAN BE PRODUCED PHOTOGRAPHICALLY. TESTS MADE IN REPRODUCTION OF PERTINENT MONEY ORDERS REVEALED IT WAS NOT POSSIBLE TO MAKE LEGIBLE PRINTS OF MONEY ORDERS IN QUESTION SINCE THEY HAD BEEN PREVIOUSLY PHOTOGRAPHED WITH INFERIOR FILM AND WERE BADLY OVEREXPOSED.

NEW HAVEN ESTIMATES ONE AND ONE-HALF WEEKS WOULD BE REQUIRED FOR REPRODUCTION OF THE LEGIBLE MATERIAL.

BECAUSE OF THE APPARENT IMPORTANCE OF OBTAINING DATA ON THE QUESTIONED MONEY ORDERS, LOS ANGELES, WITH BUREAU APPROVAL, HAS REQUESTED NEW HAVEN TO EXPEDITIOUSLY INSTITUTE A REVIEW OF THE MICROFILM REELS TO OBTAIN REPRODUCTIONS OF THE FRONT AND BACK OF MONEY ORDERS IDENTIFIED AS SOLD AT THE ABC MARKET, MANCHESTER AND HOOVER, LOS ANGELES, CALIFORNIA, WHEN POSSIBLE. NEW HAVEN HAS BEEN REQUESTED TO COPY BY HAND NECESSARY INFORMATION FROM THOSE MONEY ORDERS WHICH CANNOT BE REPRODUCED BY PHOTOGRAPH. NEW HAVEN HAS ALSO BEEN ADVISED THAT IF POSSIBLE MICROFILM REELS CONTAINING QUESTIONED MONEY ORDERS SHOULD BE OBTAINED AND FORWARDED TO LOS ANGELES WHERE LOS ANGELES WOULD REVIEW THEM.

INVESTIGATION PERTAINING TO
LOS ANGELES POLICE DEPARTMENT
OFFICER MICHAEL LEE EDWARDS -
POLICE KILLING

LOS ANGELES IS ATTEMPTING TO DETERMINE IF POSSIBLE CONNECTION EXISTS BETWEEN CAPTIONED INVESTIGATION AND THE KILLING OF LOS ANGELES POLICE DEPARTMENT (LAPD) OFFICER MICHAEL LEE EDWARDS MAY 10, 1974. IT IS BELIEVED THAT AT LEAST SOME OF THE MEMBERS OF THE SLA TRAVELED FROM SAN FRANCISCO TO LOS ANGELES ON MAY 9, 1974, TO MAY 10, 1974. THIS BELIEF IS BASED ON FACT MAY 10, 1974 COPY OF SAN FRANCISCO CHRONICLE RECOVERED FROM SLA RESIDENCE IN LOS ANGELES AND BECAUSE SLA MEMBERS PERSONALLY CONTACTED OWNER OF 833 WEST 84TH STREET, LOS ANGELES, IN AFTERNOON ON MAY 10, 1974. INVESTIGATION REVEALS SLA MEMBERS PURCHASED MAY 9 ISSUE OF "SENTINEL" (LOS ANGELES NEWSPAPER) AFTER ARRIVAL IN LOS ANGELES, AND SUBSEQUENTLY MADE INQUIRY CONCERNING PRICE, LOCATION, ETC. OF VARIOUS HOUSES LISTED IN RENTAL SECTION OF WANT ADS. THIS INITIAL ACTIVITY WOULD LOGICALLY HAVE OCCURRED DURING MORNING HOURS OF MAY 10, 1974, AT WHICH TIME SLA HAD NO FIXED RESIDENCE OR SECURE HIDE OUT. IT CAN BE REASONABLY ASSUMED SOME OPEN INQUIRES WERE MADE AT THIS TIME AND POSSIBLY PERSONS KNOWN TO OFFICER EDWARDS RECOGNIZED THEM AS MEMBERS OF THE SLA. IN VIEW OF THE SIGNIFICANT DATE,

PAGE EIGHT

LA 7-1627

THE FACT NO ONE TOOK CREDIT FOR THE POLICE KILLING AND IN THE ABSENCE OF "STREET TALK", IT IS CONSIDERED POSSIBLE THERE MAY BE A CONNECTION BETWEEN THE POLICE KILLING AND THE CAPTIONED INVESTIGATION.

OFFICER EDWARDS HAD JUST COMPLETED A TOUR OF ASSIGNMENT WITH THE COMMUNITY RESOURCED AGAINST STREET HOODLUMS (CRASH) UNIT AT THE 77TH DIVISION AND HAD NO ASSIGNED DUTIES ON MAY 10, 1974. HE SPENT NIGHT OF MAY 9, WITH HIS PARENTS IN LONG BEACH, CALIFORNIA. DURING MORNING OF MAY 10, HE VISITED WITH HIS ESTRANGED WIFE, PENNY EDWARDS, BUENA PARK, CALIFORNIA. HE LATER MET AND HAD LUNCH WITH HIS FATHER, ERWING EDWARDS, AT WHICH TIME HE MADE REFERENCE TO BEING ON THE VERGE OF "SOMETHING BIG" (IT IS NOTED LAPD OFFICERS DISCOUNT THIS STATEMENT AS THEY CONSIDERED EDWARDS' FATHER BOASTFUL AND UNRELIABLE). IN LATE AFTERNOON, EDWARDS JOINED FELLOW OFFICERS AT LAPD ACADEMY WHERE HE REMAINED UNTIL 10:30 P.M. WHEN HE DEPARTED ACADEMY, IT WAS ASSUMED HE WAS GOING DIRECTLY TO HIS GIRLFRIEND'S RESIDENCE, SANDRA DIEM, WHO LIVES IN LONG BEACH. EDWARDS WAS NOT SEEN AGAIN. EDWARDS' BODY WAS FOUND IN A FIRE-DAMAGED, ONE-STORY, VACANT, FOUR-APARTMENT DWELLING AT 122 1/2 WEST 89TH STREET, LOS ANGELES. HE HAD BEEN HANCUFFED WITH CHEAP NON-POLICE TYPE HANDCUFFS

PAGE NINE

LA 7-1627

AND INVESTIGATION REVEALED HE WAS SHOT AND KILLED AT THAT ADDRESS APPROXIMATELY MIDNIGHT TO 1:00A.M., MAY 11, 1974. HE HAD BEEN SHOT WITH 9 MM PARABELLUM ROUNDS. HIS PERSONALLY-OWNED S&W .38 AIRWEIGHT TWO INCH FIVE-SHOT REVOLVER HAS NOT BEEN RECOVERED. ESTIMATED \$40 CASH HAD BEEN REMOVED FROM BEHIND HIS POLICE IDENTIFICATION BUT THE IDENTIFICATION WAS LEFT. EDWARDS' CAR, A GOLD 1972 PINTO STATION WAGON, WAS RECOVERED AT 1034 WEST 186TH STREET, LOS ANGELES. THE CAR HAD BEEN WIPED CLEAN OF FINGERPRINTS AND THE ONLY UNUSUAL FACT NOTED WAS THAT THE SEAT HAD BEEN MOVED FULLY FORWARD INDICATING DRIVER WAS SHORT.

IT IS NOTED THAT A HANDCUFF KEY RECOVERED FROM THE BODIES AT 54TH STREET DID NOT FIT THE HANDCUFFS FOUND ON EDWARDS. LAPD PREVIOUSLY DETERMINED 9 MM PISTOL RECOVERED FROM SHOOT OUT WAS NOT MURDER WEAPON. LAPD IS CURRENTLY MAKING COMPARISON OF 9 MM ROUNDS RECOVERED FROM 84TH STREET ADDRESS WITH CARTRIDGE CASES RECOVERED FROM MURDER SITE.

LOS ANGELES WILL INTERVIEW FATHER, ESTRANGED WIFE AND GIRLFRIEND OF EDWARDS IN EFFORT TO DETERMINE IF THEY ARE IN POSSESSION OF ANY PERTINENT INFORMATION POSSIBLY RELATING TO THIS CASE.

EVIDENCE

LOS ANGELES CONTINUES TO REVIEW ALL EVIDENCE OBTAINED IN THIS MATTER. AMONG ITEMS OF EVIDENCE HAND CARRIED FROM LOS ANGELES TO THE FBI LABORATORY AND LATER RETURNED IS ONE RECONSTRUCTED SHEET OF PAPER (FBI LAB NUMBER Q 1477 PF). NUMEROUS ADDRESSES AND PHONE NUMBERS WERE REFLECTED ON THIS SHEET OF PAPER AMONG WHICH IS "SHELL RENTAL, 1919 MARKET, S.F., PHONE 621-2442".

LOS ANGELES INDICES REFLECT THAT ON MAY 22, 1974, [REDACTED] [REDACTED] GLENDALE, CALIFORNIA, TELEPHONICALLY ADVISED HIS COMPANY HAD LOCATED TWO VANS OWNED BY SHELL RENTALS, 1619 MARKET STREET, SAN FRANCISCO, CALIFORNIA, WHICH HAD APPARENTLY BEEN ABANDONED IN THE HOLLYWOOD AND NORTH HOLLYWOOD, CALIFORNIA, AREAS. BUREAU AGENTS CONTACTED [REDACTED] ON THE SAME DATE AT WHICH TIME HE ADVISED THE SHELL RENTAL VAN HAD BEEN RECOVERED MAY 21, 1974, IN NORTH HOLLYWOOD, CALIFORNIA. THE RENTER OF THAT VEHICLE IS [REDACTED] [REDACTED], SAN FRANCISCO, CALIFORNIA, 5353 TELEPHONE NUMBER [REDACTED] CALIFORNIA DRIVER'S LICENSE NUMBER [REDACTED] DATE OF RENTAL APRIL 23, 1974. ANOTHER SHELL RENTAL VAN HAD BEEN RECOVERED SOMETIME DURING THE WEEKEND OF MAY 19 TO 20, 1974,

AT AN UNSPECIFIED LOCATION IN NORTH HOLLYWOOD, CALIFORNIA.

THE RENTER OF THAT VEHICLE WAS [REDACTED]

[REDACTED] SAN FRANCISCO, CALIFORNIA, TELEPHONE
NUMBER [REDACTED] CALIFORNIA DRIVER'S LICENSE NUMBER [REDACTED]
DATE OF RENTAL APRIL 27, 1974.

LOCATED IN THESE VANS WERE MISCELLANEOUS ITEMS INCLUDING
A KING-SIZED MATTRESS, TOYS AND PAPERS. ALSO LOCATED IN ONE
OF THE VANS WAS A TRAFFIC CITATION, DATE AND PLACE OF ISSUE
UNKNOWN, BEARING THE NAME [REDACTED] WITH AN ADDRESS OF [REDACTED]
[REDACTED] HOLLYWOOD, CALIFORNIA. NOTHING OF AN EVIDENTIARY
NATURE WAS NOTED CONNECTING THESE VANS WITH SLA MEMBER OR
SLA ACTIVITIES. [REDACTED] INDICATED THAT DURING EFFORTS TO RECOVER
THOSE VEHICLES AT SAN FRANCISCO, CALIFORNIA, BY THE SHELL
RENTAL COMPANY, IT WAS DETERMINED THAT THE TELEPHONE NUMBERS
LISTED ON RENTAL APPLICATIONS WERE NOT WORKING NUMBERS. HE
FURTHER INDICATED THAT [REDACTED] SHELL
RENTALS AT SAN FRANCISCO, MIGHT BE ABLE TO IDENTIFY INDIVIDUALS
WHO RENTED REFERENCED VEHICLES.

[REDACTED] HAD BEEN RECONTACTED AT WHICH TIME HE INDICATED HIS
COMPANY RETAINED NO PAPERWORK CONCERNING THESE VEHICLES AND
HAD MERELY ADVISED SHELL RENTALS IN SAN FRANCISCO OF THE RECOVERY
OF THE VANS AND LATER MADE ARRANGEMENTS FOR RETURN OF THE VEHICLES.

TO THE SAN FRANCISCO AREA. [REDACTED] RECALLS ONE VAN WAS SHELL RENTAL VEHICLE NUMBER 59 AND WAS YELLOW IN COLOR, BEARING PRINTING IDENTIFYING IT AS THE PROPERTY OF SHELL RENTALS. THE OTHER VAN WAS VEHICLE NUMBER 105, WHITE IN COLOR, HOWEVER [REDACTED] CANNOT RECALL IF THERE WAS IDENTIFIABLE PRINTING OF THAT VEHICLE. HE FURTHER ADVISED THAT A THIRD VAN HAD BEEN RECOVERED IN BAKERSFIELD, CALIFORNIA, AT APPROXIMATELY THE SAME TIME THE TWO REFERENCED VANS WERE RECOVERED IN THE LOS ANGELES AREA, HOWEVER IT IS HIS UNDERSTANDING THAT THE VAN LOCATED IN BAKERSFIELD HAD BEEN TAKEN BY A SHELL RENTAL EMPLOYEE WHO LATER ABANDONED IT. THAT MATTER HAS BEEN RESOLVED BY THE SHELL RENTALS AND THEIR EMPLOYEE.

NEIGHBORHOOD INVESTIGATION WAS CONDUCTED IN THE AREA OF [REDACTED] WITH NEGATIVE RESULTS REGARDING ANYONE NAMED [REDACTED] MANAGER OF THE APARTMENT COMPLEX, LOCATED AT [REDACTED] HOLLYWOOD, CALIFORNIA, WAS INTERVIEWED AND DISPLAYED PHOTOGRAPHS OF KNOWN SLA MEMBERS. [REDACTED] STATED HE HAS NO KNOWLEDGE OF [REDACTED] AND WAS UNABLE TO IDENTIFY ANY OF THE PHOTOGRAPHS AS BEING IDENTICAL TO THE OCCUPANTS OF THE APARTMENT COMPLEX. IT IS NOTED [REDACTED] IS A NON-EXISTENT ADDRESS AND THAT [REDACTED]

[REDACTED] IS ALSO APPROXIMATELY,

A CHECK OF THE CALIFORNIA DEPARTMENT OF MOTOR VEHICLES
REFLECTS APPROXIMATELY 90 INDIVIDUALS ON FILE IN THE NAME OF
[REDACTED] AND LOS ANGELES IS MAKING EFFORTS TO DETERMINE
IF ANY OF THESE INDIVIDUALS RECEIVED A TRAFFIC CITATION DURING
LATE APRIL AND EARLY MAY 1974. FURTHER, LOS ANGELES POLICE
DEPARTMENT AUTOMATED WANTS AND WARRANTS HAS ADVISED NO WARRANTS
OUTSTANDING FOR ANYONE NAMED [REDACTED] FOR TRAFFIC CITATION
ISSUED ANY TIME IN 1974. LOS ANGELES WILL ATTEMPT TO LOCATE
AND IDENTIFY INDIVIDUALS WHO MAY HAVE WITNESSED THE ABANDONING
OF REFERENCED VANS. SAN FRANCISCO IS RECONTACTING PERSONNEL AT
SHELL RENTAL COMPANY IN AN EFFORT TO IDENTIFY RENTERS OF
REFERENCED VEHICLES.

FREDERICK SOLTYSIK, BROTHER OF MIZMOON SOLTYSIK, SANTA BARBARA, CALIF., HAS INDICATED PREVIOUSLY THAT HE HAS BEEN CONSIDERING SENDING AN OPEN LETTER TO SEVERAL UNDERGROUND OR RADICAL NEWSPAPERS. SOLTYSIK'S INTENTION IN WRITING THIS LETTER IS TO INDICATE HIS OPINION PUBLICLY THAT WILLIAM HARRIS IS RESPONSIBLE FOR THE DEATH OF HIS SISTER AND THE OTHERS WHO DIED WITH HER ON MAY 17, 1974, IN LOS ANGELES.

FREDERICK SOLTYSIK HAS PROVIDED A PROPOSED TEXT OF THIS LETTER WHICH HE WILL ADDRESS "A LETTER TO BILL HARRIS". THE FOLLOWING IS A TEXT OF THIS LETTER:

"SIX MONTHS HAVE PASSED SINCE MAY 17. I ASK NOW AS I ASKED THEN, WHY DID SIX PEOPLE DIE ON 54TH STREET?

"MY SISTER DIED ON HER BIRTHDAY. MY SISTER DID NOT CHOOSE TO DIE ON THAT PARTICULAR DAY. THE CONFRONTATION WAS FORCED. THE LAPD, NOT THE SLA, CHOSE THE TIME AND PLACE. THAT WAS A SERIOUS ERROR.

"THE FATALISM WHICH THE POPULAR PRESS ASCRIBED TO THOSE SIX COMRADES REPRESENTS A DANGEROUS FABRICATION, A ROMANTIC FICTION WHICH ALLOWS YOU, BILL HARRIS, TO MINIMIZE YOUR RESPONSIBILITY AND OFFERS YOU THE LUXURY OF AN ASSUAGED CONSCIENCE. THE LAPD CHOSE THE TIME

AND PLACE BECAUSE OF AN 'ERROR'. BILL HARRIS, WHOSE JUDGEMENT FAILED, WHOSE CONRADES CONSEQUENTLY DIED?

"AND WHAT HAS HAPPENED TO THE IDEALS SO STRONGLY ESPOUSED. HAS MACHISMO TAKEN PRIORITY AND HAVE THOSE IDEALS BEEN SACRAFICED? I WOULD HOPE NOT. BUT THE SELF PITY AND TERSE EULOGIES I HEARD AFTER MAY SUGGEST OTHERWISE. I WOULD WANT TO BELIEVE THAT ON THE ANNIVERSARY OF HER BIRTH, ZOYA NEED NOT HAVE RECEIVED YOUR GIFT. SIGNED, FRED SOLTYSIK".

THE BUREAU IS REQUESTED TO CONSIDER PROVIDING THE TEXT OF SOLTYSIK'S LETTER SET FORTH ABOVE TO THE BEHAVIORAL SCIENCE UNIT OF THE TRAINING DIV IN ORDER THAT THEY MIGHT ANALYZE ITS CONTENTS. THE BEHAVIORAL SCIENCE UNIT MAY HAVE SOME OPINION AS TO WHAT REACTION THIS LETTER MIGHT BRING FROM WILLIAM HARRIS OR THE FUGITIVES.

FREDERICK SOLTYSIK INTENDS IN THE NEAR FUTURE TO SEND THIS LETTER TO UNDERGROUND AND RADICAL NEWSPAPERS IN THE SAN FRANCISCO AND LOS ANGELES AREAS TO INCLUDE THE "LOS ANGELES FREE PRESS" AND THE "BERKELEY BARR". SOLTYSIK INDICATED THAT HE FEELS THIS LETTER IS AN ACCURATE DESCRIPTION OF HIS FEELINGS IN HIS OWN WORDS.

Unions headquartered in District of Columbia.

On 11/6/74, SA [REDACTED] WFO, contacted
officials of four unions headquartered in Washington, D.C.,
which resulted in their agreement to mail "free of charge"
copies of wanted flyers to various locals, shop stewards, etc.

SUMMARY

JAMES H. RADEMACHER, President, National Association
of Letter Carriers, AFL-CIO, Room 810, 100 Indiana Ave., N.W.,
Washington, D.C., stated their union consists of 5400 secretaries
(locals) situated in different cities across the country plus
4000 shop stewards. RADEMACHER suggested that the stewards be
included in the dissemination in that Detroit, Michigan, for
example, may have a local but there is also approximately 40
stewards located in Detroit working in buildings other than
union headquarters. Total: 9400.

Total: 500.

Certified return receipt requested

Dear Mr. Kelley:

This letter is in response to your appeal as printed in December issue of ARGOSY, for help in the locating of PATTY HEARST.

My first inclination is to doubt your sincerity, in wanting to use every effort possible in locating PATTY HEARST. Second in fairness to you I must recognize the possible lack of communications in your organization.

I made a trip to Dallas at my expense, from here to offer my help. On February 13th. I attempted to reach your agent, Mr. [REDACTED] who was too busy to see me. The matter and offer I wished to discuss was classified at that time, however as the PATTY HEARST matter appeared to have become a possible subversive matter I felt justified. I talked to Mr. [REDACTED] in the Dallas office and furnished him (in fact he made them) copies of official correspondence verifying the subject, in which he was to send to you. He called agent Mr. Charles Bates at San Francisco in regards to assistance, after waiting there for three days, I was informed by [REDACTED] the FBI had no interest as there was no answer.

Mr. Kelley lets analyze this for a moment. Here is a case where a supposed reliable retired military officer properly identified comes to your office at his expense, through a sense of responsibility, comes to the Dallas office and offers written proof of the possibility of his offer being successful, as tested by the (Headquarters Modern Army Selected Systems Test Evaluation & Review MASTER) Fort Hood, Texas. and other letters was absolutely ignored.

For your information, after working and researching for a number of years I have developed a system of RADIATION detection and Evaluation by which once we have arrived at this Radiation Rate, we can identify the thing or object and locate it any time in the future.

Most of my work has been done with photographs. I value my work parallel with Finger Prints, as I studied this science for two years in my earlier years, except it goes much further. For you to comprehend some of the end results. Every time we take a persons finger prints (which must be taken properly for any value, the same applies to RADIATION Identification, that is this particular kind of RADIATION). We take a photograph which is protected in a separate envelope and given a RADIATION classification in number (again much like finger prints). This rate does not change and has many uses beyond finger prints. Many times I see where a bank

ENC. 100-1574-1574

robbers picture was taken at the scene of the robbery. We could not want any thing better than this. He can change his appearance to where he can not be identified by appearance as in the photograph, his RADIATION will not change, and he can be located as well by this RADIATION.

After developing this I wanted it to be used in locating our prisoners of war. Consequently I went through various test at MASTER which included approximately one years of controlled test in which I was successful in locating and identifying certain officers placed in a tunnel several hundred feet under ground by having there previous picture and an aerial photograph taken at 6000 feet. The same with Ammunition ect.

Major General Schuhmaker orthorized the test to be made he was succeeded in MASTER Command by Major General H. J. McChrystal. The responsibility and setting up these test were under Mr. James H. Lyle, who has been transfered and is The President of USAACE Board, Fort Bragg, N. C. 2803 Tel. No. AC 919-396-4312/4808.

To make this short I am saying, I have proven under tests that I have been successful enough to substantiate my claims, subject to the photographs, and all work handled with in the know requirements for successful RADIATION detection. There is much work yet to be done in research. I do not this time have all of the answers and may not have for years, yet there has been enough accuracy to make use of my system right now.

I am enclosing the following.

Copy of letter from NOW Charles N. Adams USMC. Major Walch Headquarters USMC can varify his discussion with Major Adams.

Copy of my letter to Major General H. J. McChrystal.

Copy of Major General H. J. McChrystal letter to me, Please note here nothing in my letter has been denied or questioned, instead an invitation to submit a proposal.

Mr. Kelley I am stating the following.

I have reason to believe the following information could be correct.
subject varification of and with a good clean photograph of PATTY
Hearst Which I request you supply me.

By using a news paper photograph, which I find at times works,
but does not agree with the real photographs used in test at
Fort Hood, which I would stand behind. However test with Photograph
such as a news paper has been found to be sucessful by researchers
in England. We are not sure the radiation always carries foward
in this type of photograph reprint.

With the above resavation, I believe it worth while to to place
some value, depending on reciept of proper photograph.

From 5-24 10 am Patty Hearst was in Covina Calif. She was there

IN ADDITION, LOS ANGELES ANTICIPATES THAT ACTIVE INVESTIGATION WILL HAVE TO BE CONDUCTED REGARDING THESE MONEY ORDERS IN ORDER TO LOCATE ANY PERTINENT MONEY ORDER.

IN VIEW OF ABOVE, NEW HAVEN REQUESTED TO EXPEDITIOUSLY INSTITUTE A REVIEW OF THE MICROFILM REELS TO OBTAIN REPRODUCTIONS OF THE FRONT AND BACK OF MONEY ORDERS IDENTIFIED AS SOLD AT THE ABC MARKET, MANCHESTER AND HOOVER, LOS ANGELES, CALIFORNIA, WHICH SEQUENCE OF MONEY ORDER NUMBERS HAVE PREVIOUSLY BEEN PROVIDED. On November 27, 1974, Miss Irene Neves of "People" Magazine telephonically contacted the Bureau and indicated that "People" Magazine is most desirous of publicizing Patty Hearst in its year-end issue. She indicated that they would like to do either a one or two page spread to include various sketches of Patty Hearst indicating how she might appear today if she had changed her appearance.

Miss Neves advised that she has a deadline of December 10th for the year-end issue and needed an answer by the close of business today as to whether or not we would be willing to provide sketches. 7-15300

Inspector Jack Dunphy of the Administrative Division has indicated that the Exhibits Section could prepare such sketches in order to meet the deadline of December 10th. This matter was also discussed with representatives of the General Investigative Division who feel that this might be another excellent opportunity to gain additional publicity concerning Patty Hearst.

RECOMMENDATION

That this memorandum be returned to the External Affairs Division so that Miss Neves can be telephonically advised at 212-556-2236 that the Bureau will cooperate with "People" Magazine in connection with this matter and that we will prepare appropriate sketches which we will make available to a representative of the magazine prior to the December 10th deadline.

RELATEL TO BUREAU NOV. 14, 1974, AND NITEL TO BUREAU
NOV. 15, 1974.

ON NOV. 26, 1974, VINCENT D'ALESSIO, V.P., UNIVERSAL MONEY
ORDER CO., 29 BANK ST., NEW MILFORD CT., WAS CONTACTED BY NEW HAVEN
SA'S AT WHICH TIME PROCEDURE FOR REPRODUCTION OF MONEY ORDERS FROM
MICROFILM WAS REVIEWED.

AS PREVIOUSLY REPORTED, ORIGINAL MONEY ORDERS PERTINENT TO
THIS MATTER HAVE BEEN DESTROYED. AFTER MONEY ORDERS HAVE CLEARED
THROUGH BANK THEY ARE PHOTOGRAPHED ON MICROFILM IN REELS OF 10,000
PHOTOS EACH AND A COMPUTER IS UTILIZED TO LOCATE PARTICULAR MONEY
ORDERS, WHICH CAN BE PRODUCED BY MEANS OF KODAK RELIANCE 700
MACHINE. MONEY ORDERS ARE NOT IN NUMERICAL SEQUENCE ON MICROFILM,
BUT ARE PHOTOGRAPHED ACCORDING TO DATE RECEIVED, AFTER MONEY ORDER
HAS BEEN CASHED BY INTERESTED PARTY.

END PAGE 1

REC-105 7-15200-3768

A COMPUTER PRINTOUT MAINTAINED BY COMPANY LISTS MONEY ORDER NUMBERS IN NUMERICAL SEQUENCE AS WELL AS THE AMOUNT, THE DATE CASHED, THE TRAY NUMBER WHERE MAINTAINED BY DATE CASHED, AND THE BUNDLE NUMBER WITHIN THE TRAY WHERE SPECIFIC MONEY ORDER IS PHOTOGRAPHICALLY REPRODUCED.

IN ORDER TO MAKE PRINT FROM MICROFILM IT IS NECESSARY IN EACH INSTANCE TO LOOK UP MONEY ORDER ON COMPUTER PRINTOUT. PERTINENT REEL FOR DATE RECORDED IS THEN PULLED FROM STORAGE, PLACED IN MACHINE, AND SEARCH IS MADE BY MACHINE FOR PARTICULAR MONEY ORDER NUMBER. AFTER LOCATION, NEGATIVE MUST BE CENTERED MANUALLY ON VIEWING SCREEN, FOCUSED, AND A PRINT IS THEN MADE BY COPIER. THIS PROCEDURE IS ALSO FOLLOWED IN ORDER TO REPRODUCE REVERSE SIDE.

TESTS MADE IN REPRODUCTION OF PERTINENT MONEY ORDERS REVEALED IT WAS NOT POSSIBLE TO MAKE LEGIBLE PRINTS. D'ALLESIO STATED THIS WAS DUE TO THE FACT THAT DURING THE PERTINENT PERIOD, MONEY ORDERS IN QUESTION WERE PHOTOGRAPHED WITH INFERIOR FILM AND HAD BEEN BADLY OVER-EXPOSED. THE FILM UTILIZED WAS NATIONAL MICROFILM PRODUCED BY AGFA, AND THE RESULTS DURING THE PERTINENT PERIOD WERE SO BAD

END PAGE 2

PAGE THREE

NH(7-422)

THE COMPANY CHANGED FILM AND IS NOW UTILIZING A KODAK PRODUCT. THE MONEY ORDERS PHOTOGRAPHED DURING THE PERTINENT PERIODS, HOWEVER, CANNOT BE REPRODUCED AND WHERE VISIBLE ON THE SCREEN, CAN BARELY BE READ BY THE NAKED EYE.

D'ALLESIO SUGGESTED THAT IF DEEMED FEASIBLE, THE FBI SHOULD CONSIDER UTILIZING SOMEONE FAMILIAR WITH THE INFORMATION DESIRED WHO COULD VIEW THE MICROFILM ON THE VIEWING SCREEN AND THEN COULD POSSIBLY OBTAIN THE DESIRED INFORMATION VISUALLY, FOLLOWING WHICH PERTINENT NOTATIONS CAN BE MADE IF DESIRED. IT IS NOTED THAT THE KODAK RELIANCE 700 MACHINE CAN BE UTILIZED ONLY BY ONE PERSON AT A TIME AND ADDITIONAL PERSONNEL WOULD NOT SPEED UP THIS PROCESS.

AFTER REVIEWING THE REPRODUCTIVE PROCEDURE, IT IS ESTIMATED ONE AND A HALF WEEKS WOULD BE REQUIRED FOR REPRODUCTION OF THE DESIRED MATERIAL, IF LEGIBLE, AND THAT SUCH WOULD BE AN OPTIMUM ESTIMATE. AS PREVIOUSLY STATED, HOWEVER, RESULTS OBTAINED EARLIER THIS DATE WOULD BE ENTIRELY UNSATISFACTORY AND COMPLETELY ILLEGIBLE.

LOS ANGELES ADVISE WHETHER FURTHER ACTION DESIRED RE INSTANT MATTER.

EVIDENCE RECOVERED AT 833 W. 84TH STREET

The Los Angeles Police Department (LAPD), Los Angeles, California, is in possession of all evidence recovered from 1466 East 54th Street, Los Angeles, California, site of the gun battle between law enforcement officers and SLA members on 5/17/74.

Bureau Agents have reviewed that evidence with LAPD Officers. The following writing was found on a torn sheet of paper:

"Passing days schools when skins is winning or raging less of inquiry and blue nights stays with more than everybody blow and fall down and hurry inhabitants to scold her not when everyone can sell"

ST-112

Further, a sheet of paper was located at 833 West 84th Street, a residence which was utilized by the SLA in early May 1974. That sheet of paper contains the following notation:

237/R 680/E 84/E 205/E 120/S 99 - 5 - or

It is noted that the Laboratory Crypto Section was furnished coded writing at an earlier date. The Laboratory advised that two codes were used, one decrypted by considering the third letter of every second word as significant and the other decrypted by considering the third letter of each word, and the first letter if parened. It does not appear that the above notations can be decrypted through use of either method.

The Crypto Section of the Laboratory is requested to ascertain whether or not the referenced writing is coded and if so, attempt to decipher same and furnish results to San Francisco and Los Angeles.

EVIDENCE RECOVERED AT 833 W. 84TH STREET

The Los Angeles Police Department (LAPD), Los Angeles, California, is in possession of all evidence recovered from 1466 East 54th Street, Los Angeles, California, site of the gun battle between law enforcement officers and SLA members on 5/17/74.

Bureau Agents have reviewed that evidence with LAPD Officers. The following writing was found on a torn sheet of paper:

"Passing days schools when skins is winning or raging less of inquiry and blue nights stays with more than everybody blow and fall down and hurry inhabitants to scold her not when everyone can sell".

Further, a sheet of paper was located at 833 West 84th Street, a residence which was utilized by the SLA in early May 1974. That sheet of paper contains the following notation:

237/R 680/E 84/E 205/E 120/S 99 - 5 - or

237/N 680/E 84/E 205/E 120/S 99 - 5 -

It is noted that the Laboratory Crypto Section was furnished coded writing at an earlier date. The Laboratory advised that two codes were used, one decrypted by considering the third letter of every second word as significant and the other decrypted by considering the third letter of each word, and the first letter if parened. It does not appear that the above notations can be decrypted through use of either method.

The Crypto Section of the Laboratory is requested to ascertain whether or not the referenced writing is coded and if so, attempt to decipher same and furnish results to San Francisco and Los Angeles.

RE: NEWS MEDIA PERSONAL APPEAL BY CATHERINE HEARST

~~AS BUREAU AWARE~~, SAC, SAN FRANCISCO, HAS MAINTAINED FREQUENT CONTACT WITH THE HEARST FAMILY. DURING LATE EVENING, DECEMBER 3, 1974, MRS. HEARST ADVISED SHE HAD PREPARED A CHRISTMAS LETTER TO PATTY. SHE STATED THAT THIS LETTER WOULD APPEAR ON THE FRONT PAGE OF THE HEARST'S PUBLICATIONS IN SAN FRANCISCO AND LOS ANGELES AT A FUTURE DATE. ~~ON DECEMBER 8, 1974.~~ IN ADDITION, THE LETTER WOULD BE RELEASED TO RADIO AND TELEVISION STATIONS.

MRS. HEARST PLANS TO INDICATE IN THE LETTER, IN ESSENCE, THAT THE HEARST FAMILY MISSES PATTY VERY MUCH, THAT HER SISTERS ARE ATTENDING COLLEGE UNDER ASSUMED NAMES, AND THAT THEY, THE HEARSTS, ARE LEAVING THE HILLSBOROUGH RESIDENCE TO TAKE AN APARTMENT IN THE CITY BECAUSE IT IS TOO PAINFUL TO REMAIN IN THE OLD RESIDENCE WITHOUT PATRICIA THERE. SHE INTENDS TO ASSURE PATTY THAT SHE CAN SAFELY RETURN BY CONTACTING ANY REPRESENTATIVE OF THE NEWS MEDIA OR ANY ATTORNEY.

~~PAGE TWO~~ ~~SP 2-855~~

ACCORDING TO MRS. HEARST, SHE IS NOT MENTIONING THAT PATTY SHOULD GIVE HERSELF UP TO ANY LAW ENFORCEMENT AGENCY MERELY BECAUSE SHE FEELS THAT THIS MIGHT HAVE AN ADVERSE AFFECT ON PATTY'S POSSIBLE RETURN.

THE ABOVE, IN ALL PROBABILITY, WILL RECEIVE NATION-WIDE PUBLICITY AND RESULT IN THE GENERAL PUBLIC FURNISHING INFORMATION RELATIVE TO THE WHEREABOUTS OF FUGITIVES IN THIS MATTER.

~~SAN FRANCISCO SUGGESTS THAT THE ABOVE INFORMATION~~
~~BE FURNISHED BY THE BUREAU TO ALL OFFICES.~~

EVENT PRESS INQUIRIES RECEIVED CONCERNING THIS
SHOULD
THEY ~~SHOULD~~ BE REFERRED TO THE HEARSTS.

JA, dated 10/25/74.

The modifications of the four submitted carbines were discussed on pages 3 and 4 of the referenced Laboratory report. As previously pointed out, although the individual(s) who designed this modification apparently possessed great inventive talent and a superior knowledge of firearms, the fabrication of the sear trip mechanisms and alteration of the other parts did not require a great deal of mechanical and/or machine shop experience.

It is possible that the individual(s) who modified these carbines were not the original designers of this modification. Having been instructed as to the method of this conversion or having seen another similarly-converted carbine, the modification of the submitted carbines could have been accomplished by anyone possessing only a moderate degree of mechanical/machine shop experience.

Contact with Technical Unit, Bureau of Alcohol, Tobacco and Firearms, determined that this type of modification has not been previously encountered. Usually the illegal conversion of the M-1 carbine to a weapon capable of

of full-automatic fire is accomplished by the substitution and addition of M-2 type components. Contact with the various manufacturers of M-1 carbines was not deemed practicable inasmuch as these weapons were produced by them under Government contract according to Government specifications.

Laboratory tests of the fully-restored K81 carbine recorded a maximum rate of fire which approached 850 rounds per minute rather than the 1200 rounds per minute recorded in Los Angeles. This slower rate of fire could be attributed, in part, to the drag of the soft-pointed noses of the cartridges on the ramp of the chamber. It was noted that during the test firing, the carbine jammed periodically.

With regard to this investigation, San Francisco's attention is directed to the materials recovered at 1827 Golden Gate Avenue. Specimen Q1608 contained a sheet of paper bearing diagrams of .30 Carbine cartridge headstamps with accompanying typed comments. The individual who prepared this information was apparently quite familiar with .30 Carbine caliber ammunition.

Re: SLA Weapons Recovered At
 1466 East 54th Street, Los Angeles

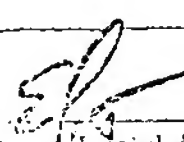

Re SF teletype 8/27/74.

Weapons recovered after the shootout at 1466 East 54th Street, Los Angeles, California, with members of the SLA, were examined by the FBI Laboratory and subsequently returned to the Los Angeles Police Department (LAPD), who recovered them. The FBI Laboratory has been provided with one revolver and expended brass obtained from the Inglewood Police Department at Mel's Sporting Goods Store, Inglewood, the scene of the shooting on 5/16/74 by PATRICIA HEARST, WILLIAM HARRIS and EMILY HARRIS.

San Francisco requested in referenced communication that gunsmiths be contacted to determine if there are any gunsmiths in the Los Angeles area capable of altering carbines to fire at a high cyclic rate, as were the recovered SLA weapons. Contacts with ATF Division, U.S. Treasury Department, Los Angeles, and firearms experts of the LAPD have indicated that discreet investigations through reliable firearms sources in the Los Angeles area by these departments has been unable to identify anyone performing these conversions.

ATF and the LAPD are very concerned that the method of conversion used on the SIA weapons does not become known to unreliable gunsmiths. This concern results from the fact that, as noted by the FBI Laboratory, this conversion of the commonplace .30 caliber carbine to a weapon with a high cyclic rate of fire could have been accomplished by an individual with simple machine tools.

Unless advised to the contrary, Los Angeles will not make open inquiries regarding this conversion since the necessity in attempting to describe the method of conversion would be disclosed to those persons contacted. Los Angeles will maintain close contact with the LAPD, Los Angeles ATF, and any other known reliable firearms experts in the Los Angeles area in an attempt to develop additional information regarding who might have done this conversion work for the SIA.

Because of the extensive turnpike system which covers the State of Oklahoma, the Oklahoma City Division has furnished the Oklahoma Turnpike Commission appropriate copies of the wanted fliers and has been assured that all turnpike employees will be on the constant alert for the subjects in this case.

It is noted that the State of Oklahoma does not require that an applicant for a drivers license furnish a photograph and/or a thumbprint prior to the drivers license being issued. Contact with the Oklahoma Department of Public Safety, Drivers License Bureau, has disclosed that the department is not in an position or equipped to obtain thumbprints on future drivers license applicants.

With regard to publicity, the Oklahoma City Division has utilized all avenues in an effort to alert the general public to the importance of this case.

Extensive radio, television, and newspaper coverage has kept the public informed and the Oklahoma City Division is optimistic positive results will be obtained.

The Oklahoma City Division is cognizant of the importance of this case and will continue to afford it an all-out effort in order it might be brought to a logical conclusion.

MONTHLY SUMMARY

Re Las Vegas airtel dated 11/7/74.

On 11/6/74, [REDACTED]

[REDACTED] Las Vegas, who is a waitress at the Silver Nugget Casino, advised she served a couple on Sunday morning who resembled very closely to WILLIAM and EMILY HARRIS. On 11/11/74, [REDACTED] was contacted by SA [REDACTED] and was shown photograph of EMILY and WILLIAM HARRIS at which time, after having observed the photograph, stated that the individuals that she had served at the Silver Nugget Casino did not resemble the HARRISES.

On 10/15/74, SA [REDACTED] contacted [REDACTED]

[REDACTED] at Jean, Nevada. These individuals were furnished Circulars WF 475A, issued 9/25/74. They advised they could offer no information at this time concerning the captioned matter.

REC-106

7-15200-3793

It is noted that there are no turnpike toll booth facilities or toll booths in the State of Nevada. Referenced teletype requested all offices to contact such facilities in their divisions. However, the town of Jean, Nevada, is situated on the only main highway (Interstate 15) from Las Vegas to Los Angeles, and would be the only logical location to furnish cooperative individuals the above Circular.

issued by Store #603, ABC Market,

As previously reported an effort was made to obtain legible prints of the above mentioned money orders on 11/26/74. Tests reveal that the film in question was badly overexposed and that it was not possible to make legible prints from it. Five copies of the test prints made of this film are enclosed for Los Angeles as Enclosure #2. As will be noted by Los Angeles, it is not possible to obtain desired information from these prints.

On 12/3/74 New Haven began a visual examination and tabulation from microfilm records of the Universal Money Order Co., New Milford, Conn. These records contain photographic copies of pertinent money orders issued by Store #603 and #604, ABC Market, Los Angeles, during the pertinent period. This tabulation has been prepared by hand on accounting ledger paper and it lists the money order number, amount of money order, date issued, identity of the payee, the identity and address of the maker as well as the identity of the endorser. As previously reported, this information has been visually obtained and in many instances the desired information is entirely illegible and cannot be determined.

Rather than reduce this material to typewritten form, the original handwritten ledgers of the desired information obtained are being forwarded to Los Angeles. Enclosed for that office are 11 pages of this information which has been obtained to date (enclosure #3). Examination of the money order records will be continued until information pertaining to all pertinent money orders is obtained and forwarded to Los Angeles.

It is noted that this tabulation is not in numerical sequence. This is occasioned by the fact that every money order must be searched for individually on microfilm records and the fastest way possible to obtain this information is not in numerical sequence but according to the date it was recorded in microfilm form by the Universal Money Order Co. Review of Universal Money Order Co. records is continuing.

RE: NEWS MEDIA PERSONAL APPEAL BY CATHERINE HEARST
AS BUREAU AWARE, SAC, SAN FRANCISCO, HAS MAINTAINED
FREQUENT CONTACT WITH THE HEARST FAMILY. DURING LATE EVENING,
DECEMBER 3, 1974, MRS. HEARST ADVISED SHE HAD PREPARED A
CHRISTMAS LETTER TO PATTY. SHE STATED THAT THIS LETTER WOULD
APPEAR ON THE FRONT PAGE OF THE HEARST'S PUBLICATIONS IN SAN
FRANCISCO AND LOS ANGELES ON DECEMBER 8, 1974. IN ADDITION, THE
LETTER WOULD BE RELEASED TO RADIO AND TELEVISION STATIONS.

MRS. HEARST PLANS TO INDICATE IN THE LETTER, IN ESSENCE,
THAT THE HEARST FAMILY MISSES PATTY VERY MUCH, THAT HER SISTERS
ARE ATTENDING COLLEGE UNDER ASSUMED NAMES, AND THAT THEY, THE
HEARSTS, ARE LEAVING THE HILLSBOROUGH RESIDENCE TO TAKE AN
APARTMENT IN THE CITY BECAUSE IT IS TOO PAINFUL TO REMAIN IN THE
OLD RESIDENCE WITHOUT PATRICIA THERE. SHE INTENDS TO ASSURE
PATTY THAT SHE CAN SAFELY RETURN BY CONTACTING ANY REPRESENTATIVE
OF THE NEWS MEDIA OR ANY ATTORNEY.

ACCORDING TO MRS. HEARST, SHE IS NOT MENTIONING THAT PATTY SHOULD GIVE HERSELF UP TO ANY LAW ENFORCEMENT AGENCY MERELY BECAUSE SHE FEELS THAT THIS MIGHT HAVE AN ADVERSE AFFECT ON PATTY'S POSSIBLE RETURN.

THE ABOVE, IN ALL PROBABILITY, WILL RECEIVE NATION-WIDE PUBLICITY AND RESULT IN THE GENERAL PUBLIC FURNISHING INFORMATION RELATIVE TO THE WHEREABOUTS OF FUGITIVES IN THIS MATTER.

SAN FRANCISCO SUGGESTS THAT THE ABOVE INFORMATION BE FURNISHED BY THE BUREAU TO ALL OFFICES.

IN EVENT PRESS INQUIRIES RECEIVED CONCERNING THIS LETTER, THEY WILL BE REFERRED TO THE HEARSTS.

Dear Sir

Your story about me is wrong, I am not alone and not in hostile environment. I eat three meals a day, not fear of anybody turning me in.

My father and Mother took off the reward, I am not in a prison, this summer I went to South Dakota, the Black Hills and the Badlands, also the fair, to Canton to see the Football hall of fame, is that hiding underground?

THE PERSON THAT I STAY WITH KNOWS ABOUT ME AND NO MONEY WORREYS THEM..

I HAVE A BABY NOW FROM MY LOVE WHO DIED, SO LEAVE ME ALONE,

MONTHLY SUMMARY OF INVESTIGATION
FOR NOVEMBER (NOVEMBER 10, 1974)

ADMINISTRATIVE

Investigation in this matter has been reported on a timely basis to the office of origin and interested offices. Delay in preparation of this monthly summary resulted inasmuch as the case agent has been on subpoena at trials in the New York office and at Washington Field Office.

Numerous reports of persons resembling PATRICIA CAMPBELL HEARST within the Philadelphia Division resolved and eliminated.

New Wanted Flyer Number 475A pertaining to the HARRIS' and HEARST disseminated to all turnpike facilities on Pennsylvania Turnpike and the Northeast Extension of the Pennsylvania Turnpike. Copies of the same flyer disseminated to Walt Whitman Bridge and Benjamin Franklin Bridge connecting Philadelphia area to Southern New Jersey.

A program was begun of reemphasis of publicity with the Pennsylvania State Police on a headquarters level and local barracks level.

All agents within the Philadelphia Division have been provided full details of this case as furnished by the Bureau and San Francisco and are maintaining close contact with logical informants and sources.

Numerous good will and Salvation Army type agencies have been contacted, and Philadelphia continues efforts to maintain complete coverage of these type organizations.

CONTEMPLATED INVESTIGATION

Philadelphia will continue close liaison with the Pennsylvania State Police on a local and headquarters level in order to keep troopers patrolling Pennsylvania's interstate highways aware of appearances and background of the subjects. Philadelphia will also continue efforts to maintain complete coverage of good will and Salvation Army type agencies as well as maintaining complete informant and logical source coverage.

Captioned individual is the father of William Lawton Wolfe, who was killed in the 5/17/74, SLA shootout at Los Angeles, California. Dr. Wolfe sent a postcard (attached) to the Director postmarked 11/29/74. The contents of the postcard are as follows:

"It is almost time for my son Willy to show up, as usual, for the Christmas Holidays. But your men took care of that. Did they not. LSW."

As may be recalled, Dr. Wolfe has blamed the FBI for the death of his son, has been personally contacted by SAC, Philadelphia, and a personal letter from the Director was sent to Dr. Wolfe outlining our position in this matter. It is apparent that our efforts with Dr. Wolfe have been unsuccessful and he continues to be most bitter toward the Bureau and the Director. It is recommended, therefore, that his postcard not be acknowledged.

Re Bureau airtel 11/8/74.

No information has been developed indicating VO or China Defense Committee affiliation on part of subject. Subject described by various sources as "...sympathizer to many causes espoused by left..."

Additional investigation being expeditiously conducted to obtain basis and details for ATFD allegations; to determine specific "causes" espoused by subject and to identify [REDACTED]

THIS LETTER WOULD APPEAR ON THE FRONT PAGES OF THE HEARST PUBLICATIONS IN SAN FRANCISCO AND LOS ANGELES ON DECEMBER 8, AND ADDITIONALLY WOULD BE RELEASED TO RADIO AND TELEVISION STATIONS. THE LETTER BASICALLY WOULD INDICATE THAT SHE AND THE FAMILY ARE UPSET BY PATTY'S CONTINUED ABSENCE AND THAT SHE FEELS THAT PATTY CAN RETURN BY CONTACTING ANY REPRESENTATIVE OF THE NEWS MEDIA OR ANY ATTORNEY. ON DECEMBER 5, 1974, WE WERE ADVISED BY CHARLES GOULD OF THE "SAN FRANCISCO EXAMINER" THAT RANDOLPH HEARST'S MOTHER DIED AND RANDOLPH AND CATHERINE HEARST ARE GOING EAST AND CONSEQUENTLY THE LETTER WILL NOT BE PUBLISHED OR RELEASED UNTIL DECEMBER 15, 1974.

Q1931 Envelope postmarked "U.S. POSTAL SERVICE, WI PM 2 DEC 1974" bearing typewritten address "CLARENCE KELLEY DIRECTOR F.B.I. ROOM 7000, WASHINGTON, D.C., 20535"

Q1932 Sheet of paper bearing typewritten letter beginning "Dear Sir Part one Your story..." and signed "TANIA"

Result of examination:

Q1931 and Q1932 were not associated with material in the Anonymous Letter File. Copies have been added thereto.

The typewriting on Q1931 and Q1932 corresponds to Laboratory standards for styles of type manufactured by the Ransmayer and Setag Companies, spaced 260 mm per 100 characters. These styles of type are used on typewriters manufactured under brand names including:

ABC	Olivetti	Siemag	Torpedo	Urania
Adler	Olympia	Swissa	Brosette	
Alpina	Princess	Patria	Tippa	
Groma	Remington	Halberg	Continental	
Japy	Rooy	Voss	Fortuna	
Juwel	Royal	Triumph	Orga	

The typewriting on specimen Q30, previously submitted in this case and the typewriting on Qcl2 and Qcl5, previously submitted in case captioned "EUGUST SEVENTH GUERRILLA MOVEMENT (ASGM) EM" were also found to correspond to these styles of type;

however, due to the lack of sufficient individual identifying characteristics, a definite conclusion was not reached whether these items were prepared by the same typewriter. The type-writing on items previously submitted in case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM" were not found to correspond to these styles of type.

Q1932 contains the watermark "EATONS CORRASABLE BOND USA HERKESHIRE COTTON FIBER CONTENT". This watermark is registered to the Eaton Paper Company, Division of Textron Inc., 75 South Church Street, Pittsfield, Massachusetts, Q1203. This watermark was also present on the Q80 sheet of paper, previously submitted. However, characteristics in the Q1932 watermark indicates this sheet of paper was manufactured in 1968. Characteristics observed in the watermark of the Q80 sheet of paper indicates it was manufactured in 1972.

Q1931 contains no watermark. Q1931 and Q1932 contain no indented writings of significance or other characteristics to aid in definitely determining the source. A thirteen cent U.S. Postal Service Airmail stamp, torn from a booklet of stamps, is affixed to Q1931.

Q1931 and Q1932, which have been photographed, are retained.

SUBJECT: HEARNAP
OO: SAN FRANCISCORE: ROBYN SUE STEINER

For the information of the Detroit Office, ROBYN SUE STEINER was closely connected with known members of the SLA during 1973. STEINER journeyed to the San Francisco Bay Area with RUSSELL J. LITTLE who is being held with another SLA member for the execution type killing of MARCUS POSTER, former Oakland Superintendent of Schools. STEINER also resided for a while with EMILY and WILLIAM HARRIS, SLA fugitives, who were last known to be in the company of PATRICIA HEARST.

STEINER departed the East Bay Area of California during the last part of November or the first part of December of 1973 to return to her home in Miami, Florida. She was interviewed by an Oakland, California, detective in January, 1974, but was less than forthright in her responses. Since that time, she has refused to be interviewed by the FBI and her whereabouts are unknown. STEINER probably has gone underground because the SLA in one communique issued a death warrant for her although her former paramour requested that it be disregarded.
